

## Specification Sheet

Part Number: PRT1

Panel Rivet Tool, Yellow, 1/pkg

**Article Number**

182-00001

**Type**

PRT1

**Color**

Yellow (YE)

### Features & Benefits

- Panel rivets are made with nylon material to hold duct securely to the panel without corroding, ensuring longevity.
- Panel rivets can be easily inserted with use of a specially designed, long shafted panel rivet tool.
- Ergonomic design of the tool ensures effortless use when inserting rivets into deep channels or locations difficult to access.

**Quantity Per**

EA

### Product Description

HellermannTyton panel rivets are one piece drive rivets that provide a fast, economic means of affixing wiring duct. The rivet is inserted into a 3/16" pre-punched hole and the pin is driven into the base, thereby expanding the rivet legs and locking the duct and sub-panel in place. The panel thickness (including the duct thickness) should be a maximum of 3/16". A panel rivet tool is also available for quick and easy installation of the drive rivets.

<b>Short Description</b>	Panel Rivet Tool, Yellow, 1/pkg
<b>Global Part Name</b>	PRT1-YE
<b>Technical Description</b>	Panel Rivet Tool
<b>Flammability</b>	UL 94 HB
<b>Halogen free</b>	No
