

PRODUCT ADVISORY NOTICE

KEEPING YOU INFORMED OF PRODUCT CHANGES

To: Grayhill Customers, Sales Representatives and Distributors

Date: March 1, 2007

Subject: Change to Line Color on Series 76 Recessed Rockers

Grayhill 76 Series DIP Switches with recessed rockers are available with a line marked on the actuator to provide visual indication of the “on/off” position. In order to improve raw material availability and shelf life, the material used to produce this line has changed. As a result, the color of this line will be change from blue to black. This change will be applicable to all products manufactured as of date code 0708.

If you have any further questions regarding this matter, please contact Grayhill Customer Service at 708-354-1040.
