MFRC63002HN,151

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MFRC63002HN,151                                                                                              |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC CONTACTLESS READER 32HVQFN                                                                                |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 16478 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

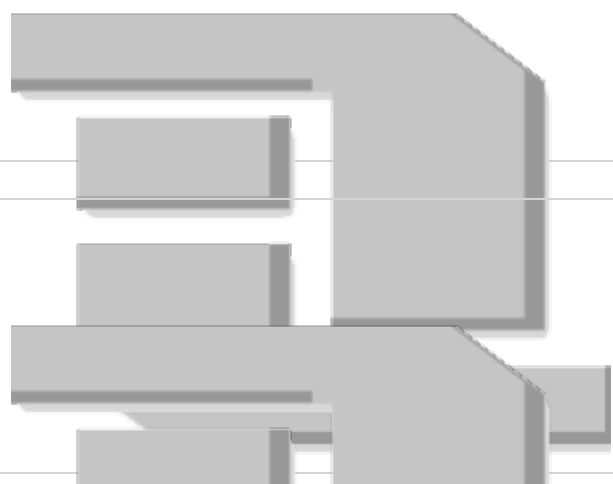

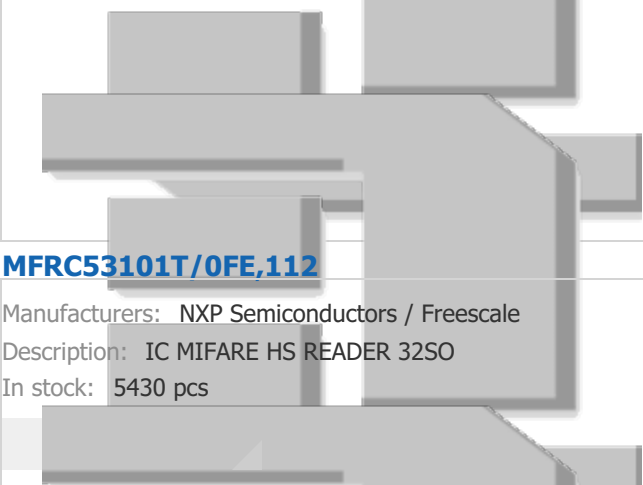

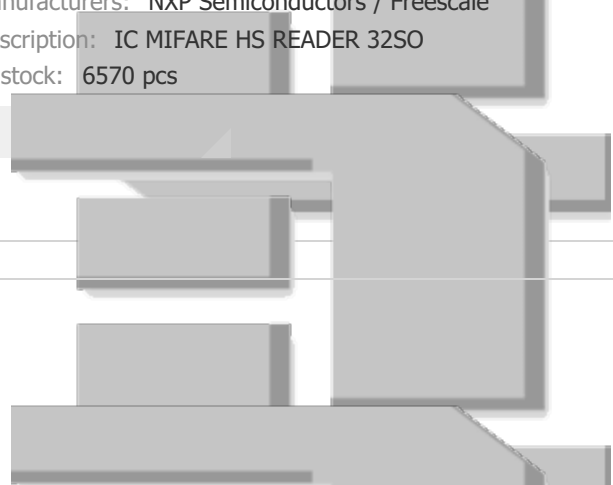

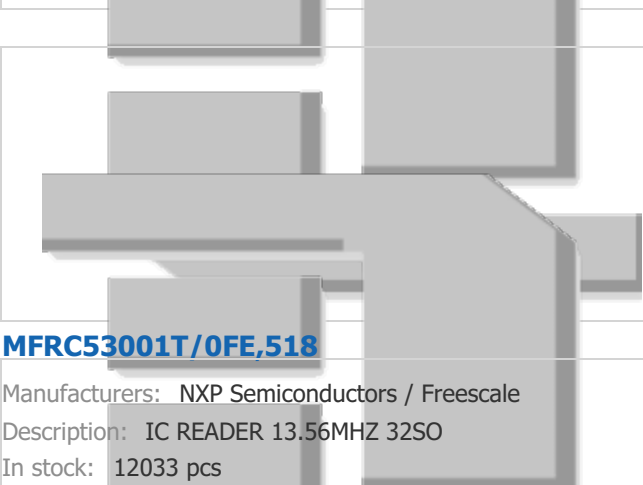

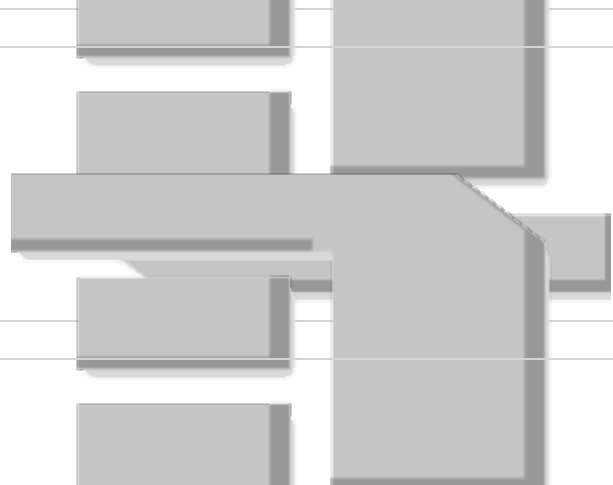

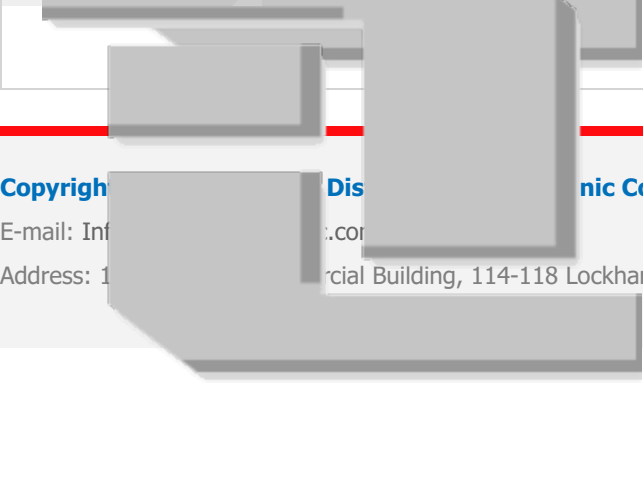

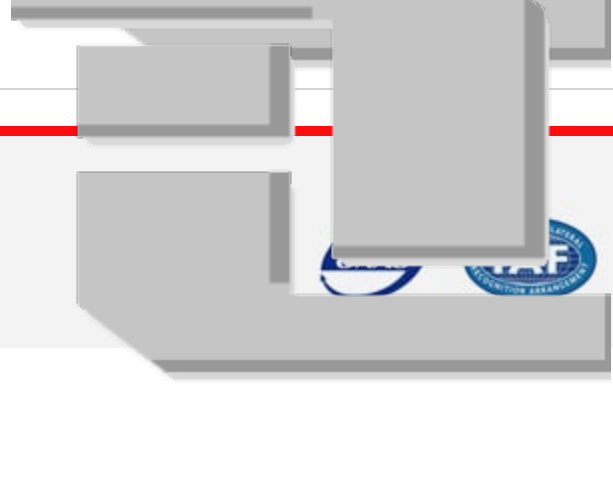

Specifications of MFRC63002HN,151

|                                  |                                                                                           |

| DESCRIPTION                      | IC CONTACTLESS READER 32HVQFN                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                |
| QUANTITY AVAILABLE               | 16478 pcs                                                                                 |
| DATA SHEET                       |                                                                                           |
| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                                               |
| TYPE                             | RFID Reader                                                                               |
| SUPPLIER DEVICE PACKAGE          | 32-HVQFN (5x5)                                                                            |
| STANDARDS                        | ISO 14443, MIFARE                                                                         |
| SERIES                           | MIFARE®                                                                                   |
| PACKAGING                        | Tray                                                                                      |
| PACKAGE / CASE                   | 32-VFQFN Exposed Pad                                                                      |
| OTHER NAMES                      | 568-11530<br>935297334151<br>MFRC63002HN,151-ND                                           |
| OPERATING TEMPERATURE            | -25°C ~ 85°C                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                |
| INTERFACE                        | I²C, SPI, UART                                                                            |
| FREQUENCY                        | 13.56MHz                                                                                  |
| DETAILED DESCRIPTION             | RFID Reader IC 13.56MHz ISO 14443, MIFARE I²C, SPI, UART 3 V ~ 5.5 V 32-VFQFN Exposed Pad |
