| DATA SHEET                        |  EL5111IWT-T7.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.5 V ~ 16.5 V, ±2.25 V ~ 8.25 V                                                                     |
| VOLTAGE - INPUT OFFSET            | 3mV                                                                                                  |
| SUPPLIER DEVICE PACKAGE           | TSOT-23-5                                                                                            |
| SLEW RATE                         | 75 V/µs                                                                                              |
| SERIES                            | -                                                                                                    |
| PACKAGING                         | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                    | SOT-23-5 Thin, TSOT-23-5                                                                             |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                         |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                         |
| NUMBER OF CIRCUITS                | 1                                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                   |
| GAIN BANDWIDTH PRODUCT            | 32MHz                                                                                                |
| DETAILED DESCRIPTION              | Voltage Feedback Amplifier 1 Circuit Rail-to-Rail TSOT-23-5                                          |
| CURRENT - SUPPLY                  | 2.5mA                                                                                                |
| CURRENT - OUTPUT / CHANNEL        | 65mA                                                                                                 |
| CURRENT - INPUT BIAS              | 2nA                                                                                                  |
| BASE PART NUMBER                  | EL5111                                                                                               |
| AMPLIFIER TYPE                    | Voltage Feedback                                                                                     |
| -3DB BANDWIDTH                    | 60MHz                                                                                                |
