| VOLTAGE - SUPPLY, SINGLE (V+)     | 2.7 V ~ 12 V                                                                        |
| VOLTAGE - SUPPLY, DUAL (V±)       | ±2.7 V ~ 6 V                                                                        |
| SWITCH CIRCUIT                    | SPST                                                                                |
| SUPPLIER DEVICE PACKAGE           | 8-uMAX                                                                              |
| SERIES                            | -                                                                                   |
| PACKAGING                         | Tube                                                                                |
| PACKAGE / CASE                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                              |
| OPERATING TEMPERATURE             | -40°C ~ 85°C (TA)                                                                   |
| ON-STATE RESISTANCE (MAX)         | 120 Ohm                                                                             |
| NUMBER OF CHANNELS                | 1                                                                                   |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT | 1:1                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                       |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                  |
| FEATURES                          | Bi-Directional, Buffered, T-Switch Configuration                                    |
| DETAILED DESCRIPTION              | Video Switch IC 1 Channel 8-uMAX                                                    |
| BASE PART NUMBER                  | MAX4529                                                                             |
| APPLICATIONS                      | Video                                                                               |
| -3DB BANDWIDTH                    | 300MHz                                                                              |
