| DATA SHEET                       |  ADM1032AR-1.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                                                         |
| TEST CONDITION                   | 0°C ~ 100°C                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                              |
| SERIES                           | -                                                                                                   |
| SENSOR TYPE                      | Digital, Local/Remote                                                                               |
| SENSING TEMPERATURE - REMOTE     | 0°C ~ 120°C                                                                                         |
| SENSING TEMPERATURE - LOCAL      | 0°C ~ 100°C                                                                                         |
| RESOLUTION                       | 7 b                                                                                                 |
| PACKAGING                        | Tube                                                                                                |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                       |
| OUTPUT TYPE                      | SMBus                                                                                               |
| OPERATING TEMPERATURE            | 0°C ~ 120°C                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                  |
| FEATURES                         | Output Switch, Programmable Limit, Standby Mode                                                     |
| DETAILED DESCRIPTION             | Temperature Sensor Digital, Local/Remote 0°C ~ 100°C 7 b 8-SOIC                                     |
| ACCURACY - HIGHEST (LOWEST)      | ±3°C                                                                                                |
