

NXP Semiconductors / Freescale

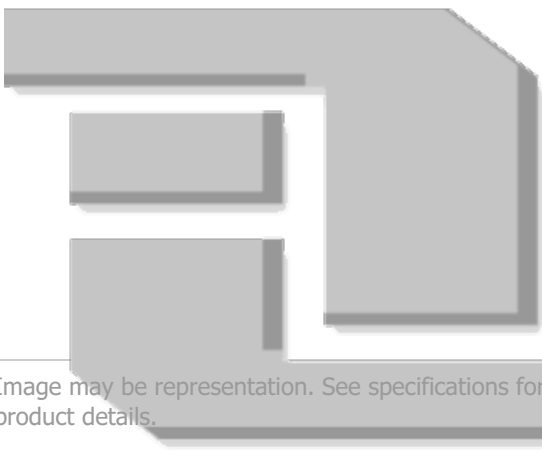

Image may be representation. See specifications for product details.

SL3S1203AC2,118

Part Number:

SL3S1203AC2,118

Manufacturer/Brand:

NXP Semiconductors / Freescale

Product description

IC UCODE G2XL SOT1040-1

Datasheets:

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

2988 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

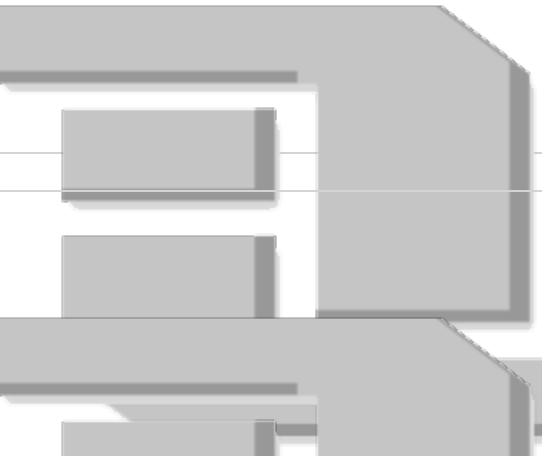

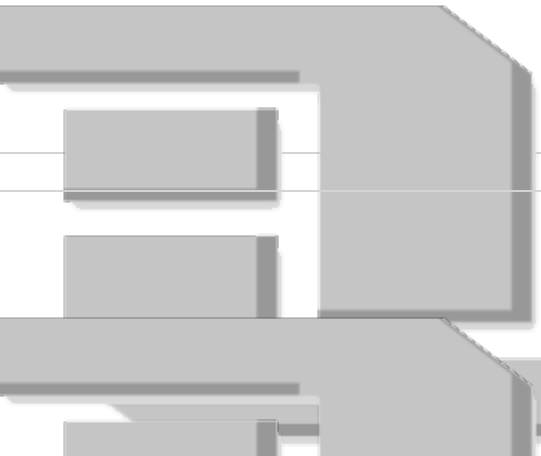

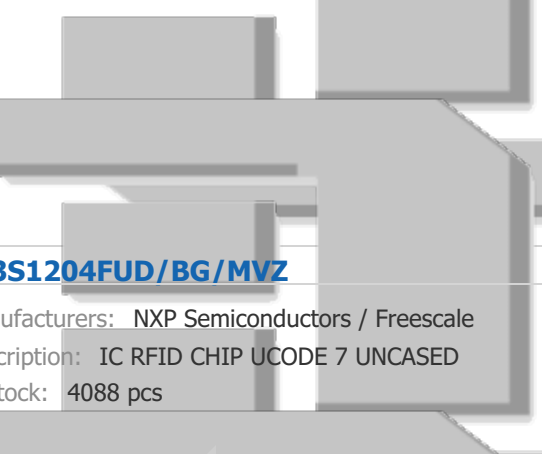

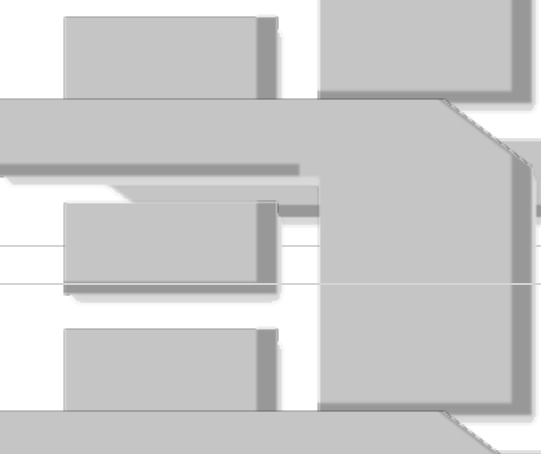

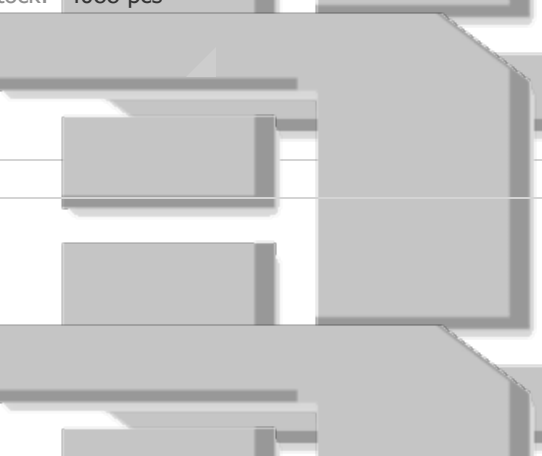

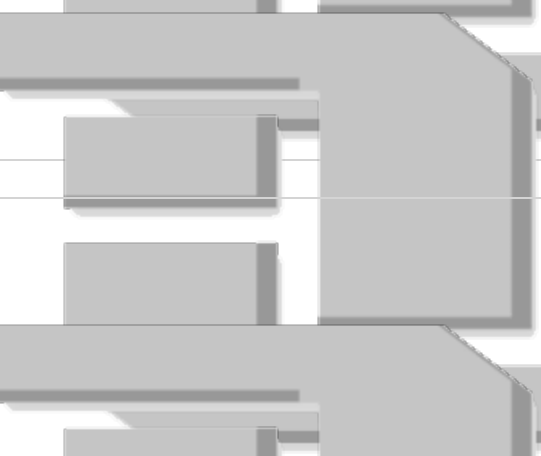

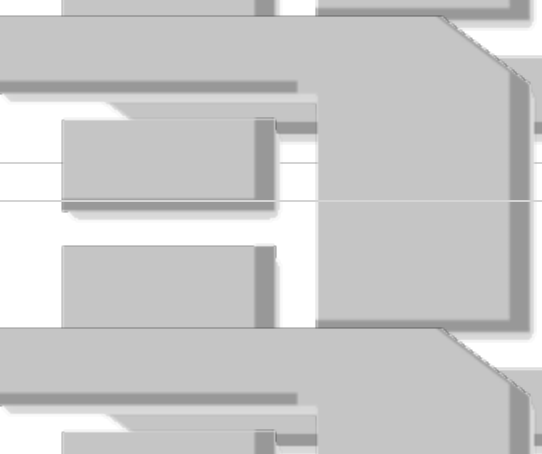

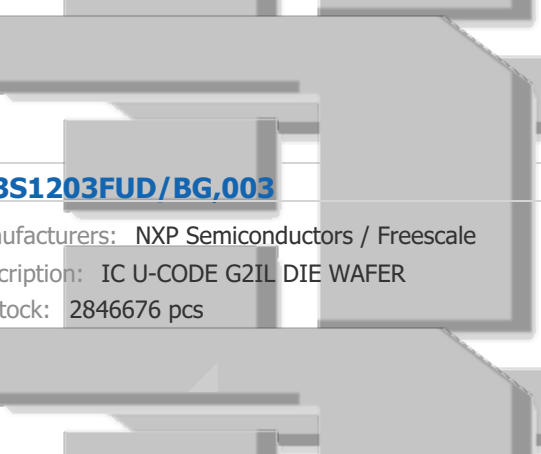

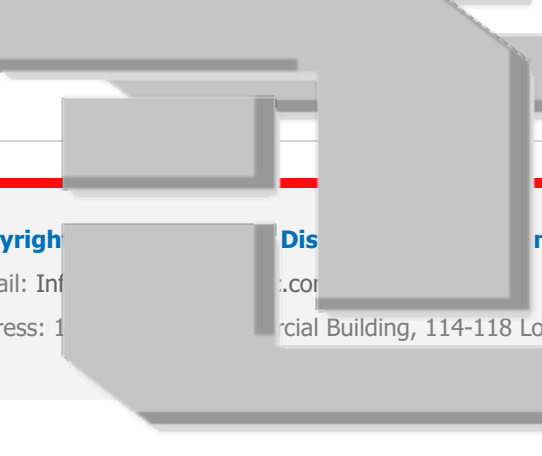

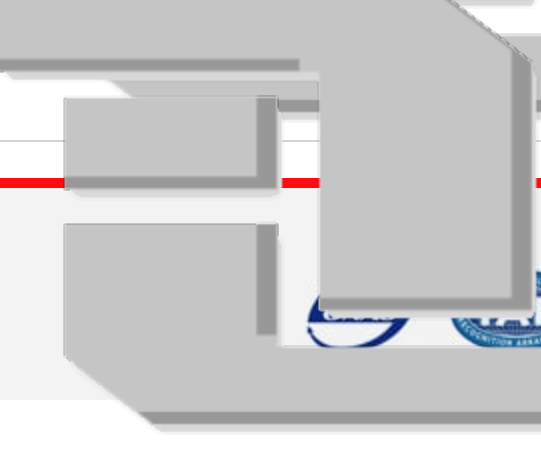

Specifications of SL3S1203AC2,118

|                                  |                                                                             |
|----------------------------------|-----------------------------------------------------------------------------|
| PART NUMBER                      | SL3S1203AC2,118                                                             |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                              |
| DESCRIPTION                      | IC UCODE G2XL SOT1040-1                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| QUANTITY AVAILABLE               | 2988 pcs                                                                    |
| DATA SHEET                       |                                                                             |
| VOLTAGE - SUPPLY                 | 1.8V                                                                        |
| TYPE                             | RFID Transponder                                                            |
| SUPPLIER DEVICE PACKAGE          | 2-FCS                                                                       |
| STANDARDS                        | ISO 18000-6, EPC                                                            |
| SERIES                           | U-Code                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                            |
| PACKAGE / CASE                   | 2-Flip Chip Strap                                                           |
| OTHER NAMES                      | 935291044118                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| INTERFACE                        | -                                                                           |
| FREQUENCY                        | 840MHz ~ 960MHz                                                             |
| DETAILED DESCRIPTION             | RFID Transponder IC 840MHz ~ 960MHz ISO 18000-6, EPC 1.8V 2-Flip Chip Strap |
