

The image features the Honeywell logo at the top left, with the text "Honeywell Sensing and Productivity Solutions" to its right. Below this, the text "Productivity Solutions" is centered. The main part of the image is a photograph of a Honeywell industrial component, likely a pressure sensor or transducer. It has a black, rectangular base with four mounting tabs. A silver-colored metal stem with a threaded section and a spherical top is attached to the center. To the right of the main unit, there are several small, silver-colored screws or fasteners arranged in two rows. Below the screws, there are two circular metal components: one is a flat ring with a hexagonal outer edge, and the other is a similar ring with a serrated or gear-like inner edge.
