| MANUFACTURER                     | Energy Micro (Silicon Labs)                                                                                            |
| DESCRIPTION                      | IC RCVR AM/FM/HD AUTO 40-QFN                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| QUANTITY AVAILABLE               | 2267 pcs                                                                                                               |
| DATA SHEET                       |  <a href="#">SI4767-A20-AMR.pdf</a> |
| VOLTAGE - SUPPLY                 | 1.5 V ~ 5 V                                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 40-QFN (6x6)                                                                                                           |
| SERIES                           | -                                                                                                                      |
| SENSITIVITY                      | -                                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 40-VFQFN Exposed Pad                                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                                                             |
| MODULATION OR PROTOCOL           | AM, FM, RDS                                                                                                            |
| MEMORY SIZE                      | -                                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| FREQUENCY                        | 520kHz ~ 1.71MHz, 64MHz ~ 108MHz                                                                                       |
| FEATURES                         | -                                                                                                                      |
| DETAILED DESCRIPTION             | - RF Receiver AM, FM, RDS 520kHz ~ 1.71MHz, 64MHz ~ 108MHz PCB, Surface Mount 40-QFN (6x6)                             |
| DATA RATE (MAX)                  | -                                                                                                                      |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                                     |
| CURRENT - RECEIVING              | 130mA                                                                                                                  |
| APPLICATIONS                     | Automotive Audio                                                                                                       |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                                     |
