|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | PGA116AIPW                                                                                                   |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC OPAMP PGA 10MHZ RRO 20TSSOP                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 27528 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

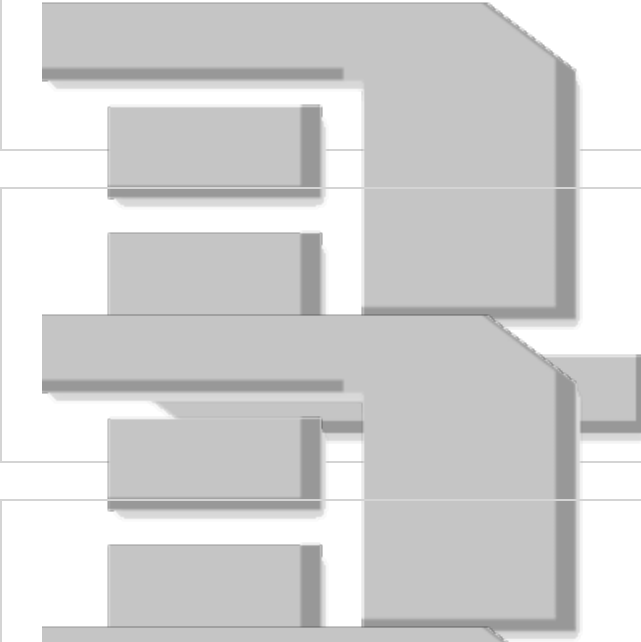

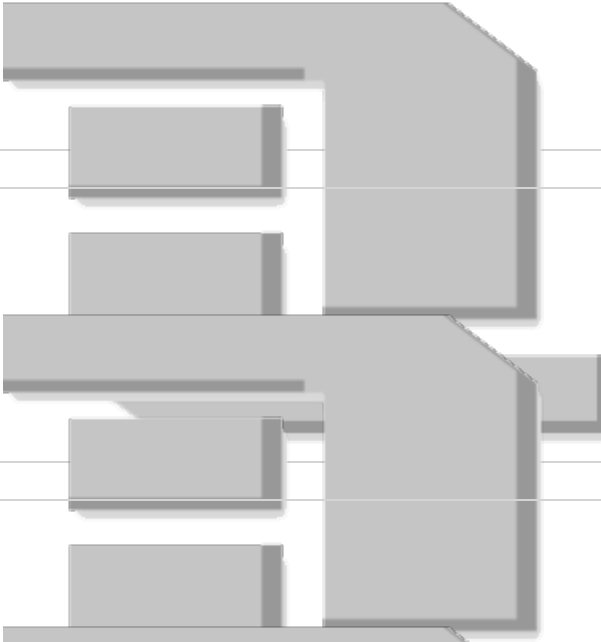

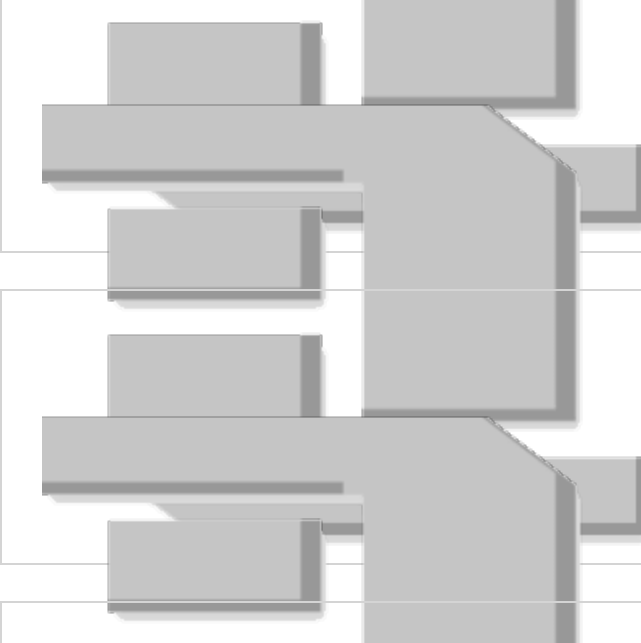

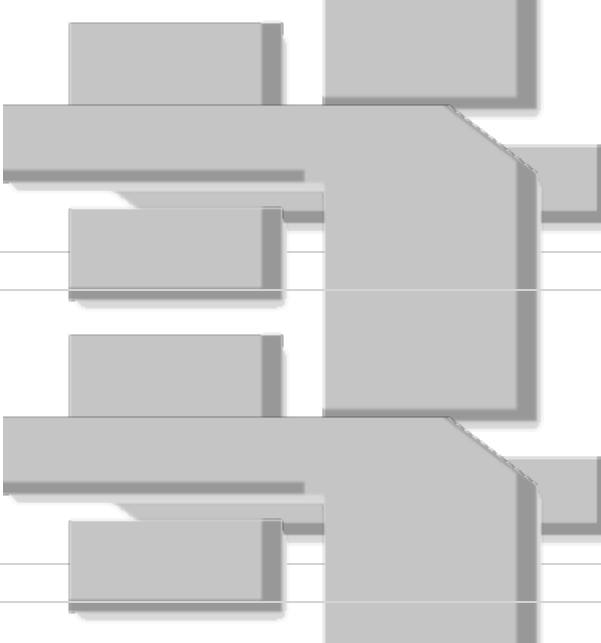

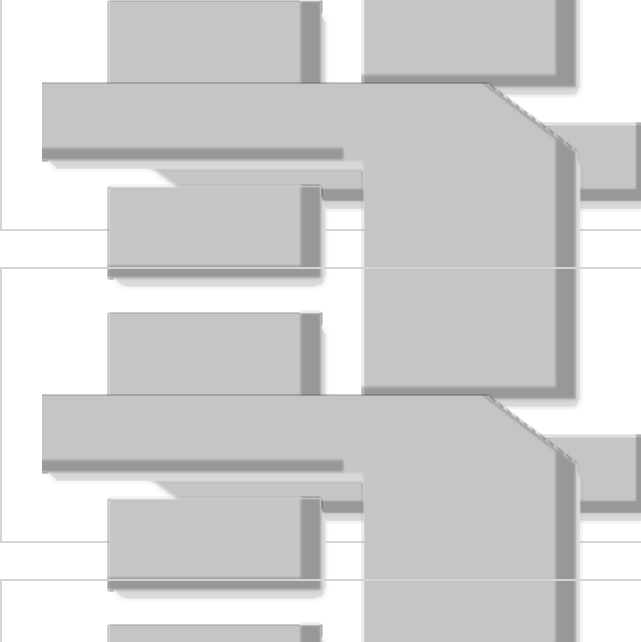

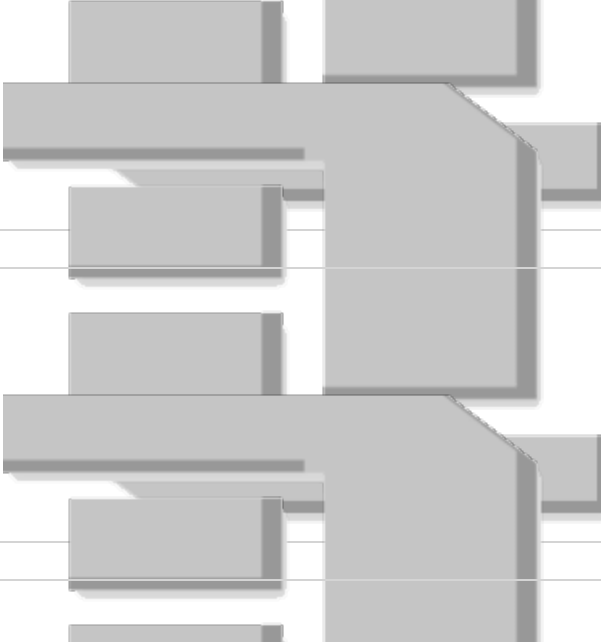

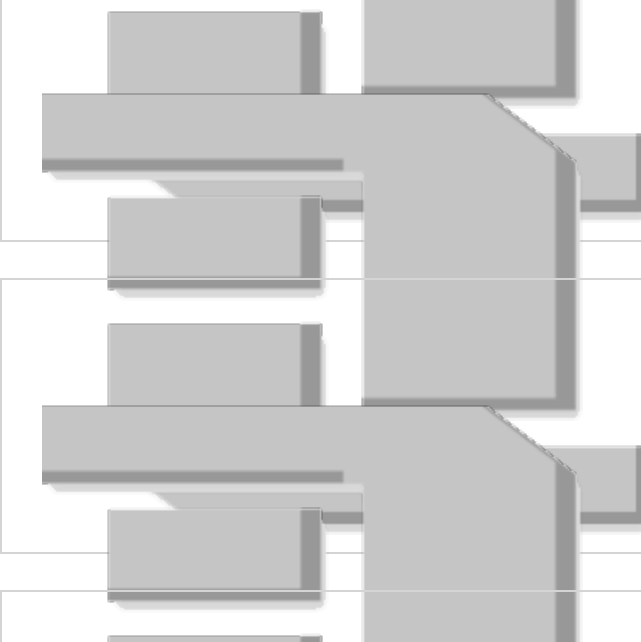

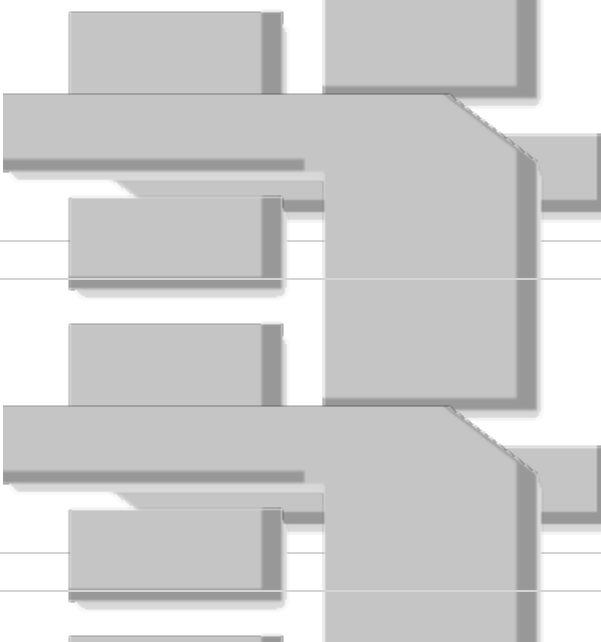

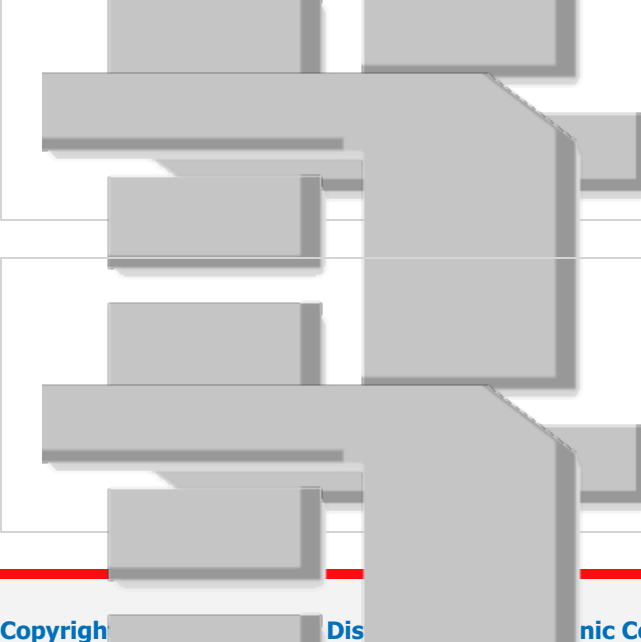

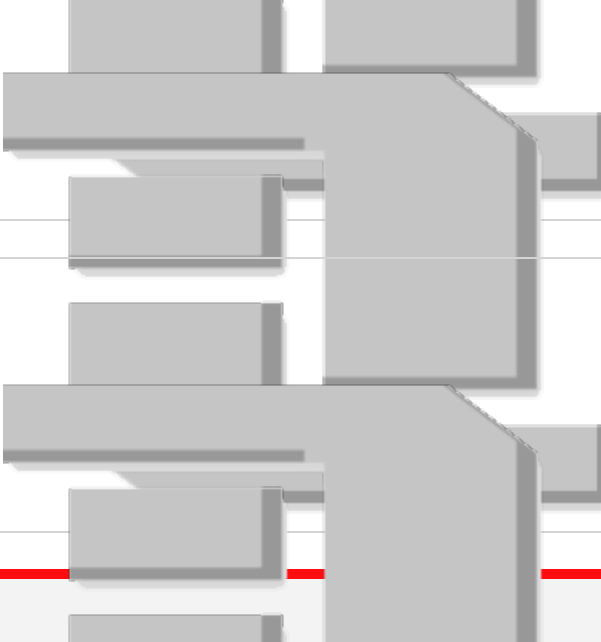

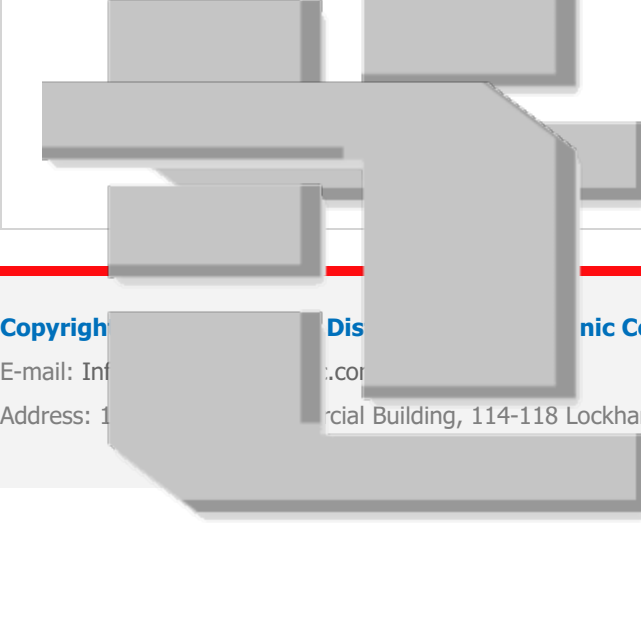

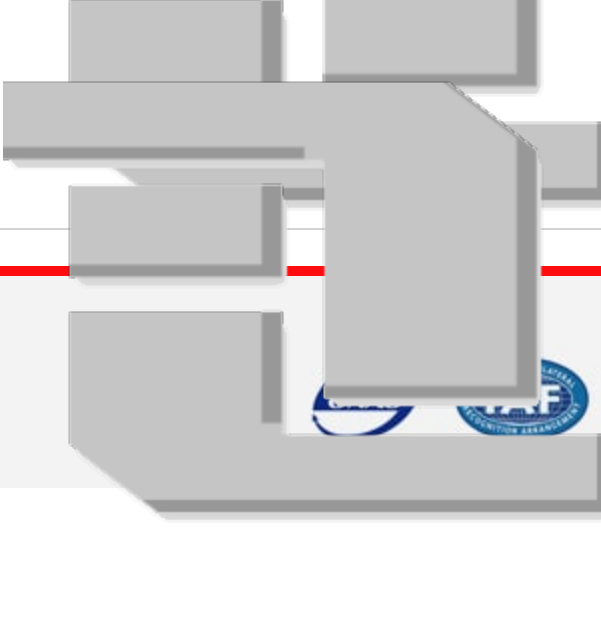

Specifications of PGA116AIPW

|                                   |                                                             |
|-----------------------------------|-------------------------------------------------------------|
| PART NUMBER                       | PGA116AIPW                                                  |
| MANUFACTURER                      | N/A                                                         |
| DESCRIPTION                       | IC OPAMP PGA 10MHZ RRO 20TSSOP                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                  |
| QUANTITY AVAILABLE                | 27528 pcs                                                   |
| DATA SHEET                        |                                                             |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.2 V ~ 5.5 V                                               |
| VOLTAGE - INPUT OFFSET            | 75µV                                                        |
| SUPPLIER DEVICE PACKAGE           | 20-TSSOP                                                    |
| SLEW RATE                         | 8 V/µs                                                      |
| SERIES                            | -                                                           |
| PACKAGING                         | Tube                                                        |
| PACKAGE / CASE                    | 20-TSSOP (0.173", 4.40mm Width)                             |
| OUTPUT TYPE                       | Rail-to-Rail                                                |
| OTHER NAMES                       | 296-33535-5<br>PGA116AIPW-ND                                |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                               |
| NUMBER OF CIRCUITS                | 1                                                           |
| MOUNTING TYPE                     | Surface Mount                                               |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 2 (1 Year)                                                  |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                  |
| DETAILED DESCRIPTION              | Programmable Gain Amplifier 1 Circuit Rail-to-Rail 20-TSSOP |
| CURRENT - SUPPLY                  | 330µA                                                       |
| CURRENT - OUTPUT / CHANNEL        | 60mA                                                        |
| CURRENT - INPUT BIAS              | 1.5nA                                                       |
| BASE PART NUMBER                  | PGA116                                                      |
| AMPLIFIER TYPE                    | Programmable Gain                                           |
| -3DB BANDWIDTH                    | 10MHz                                                       |
