Specifications of TLS202B1MBV33HTSA1

|                                  |                                                                           |
|----------------------------------|---------------------------------------------------------------------------|
| PART NUMBER                      | TLS202B1MBV33HTSA1                                                        |
| MANUFACTURER                     | International Rectifier (Infineon Technologies)                           |
| DESCRIPTION                      | IC REG LINEAR 3.3V 150MA SCT595                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                |
| QUANTITY AVAILABLE               | 186294 pcs                                                                |
| DATA SHEET                       |                                                                           |
| VOLTAGE DROPOUT (MAX)            | 0.57V @ 150mA                                                             |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                      |
| VOLTAGE - OUTPUT (MAX)           | -                                                                         |
| VOLTAGE - INPUT (MAX)            | 18V                                                                       |
| SUPPLIER DEVICE PACKAGE          | PG-SCT-595                                                                |
| SERIES                           | Automotive, AEC-Q100                                                      |
| PROTECTION FEATURES              | Over Current, Over Temperature, Short Circuit                             |
| PACKAGING                        | Tape & Reel (TR)                                                          |
| PACKAGE / CASE                   | 6-SMD (5 Leads), Gull Wing                                                |
| PSRR                             | 63dB (10kHz)                                                              |
| OUTPUT TYPE                      | Fixed                                                                     |
| OUTPUT CONFIGURATION             | Positive                                                                  |
| OTHER NAMES                      | SP001471882                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 150°C (TJ)                                                        |
| NUMBER OF REGULATORS             | 1                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 3.3V 150mA PG-SCT-595 |
| CURRENT - SUPPLY (MAX)           | 200µA                                                                     |
| CURRENT - QUIESCENT (IQ)         | 75µA                                                                      |
| CURRENT - OUTPUT                 | 150mA                                                                     |
| CONTROL FEATURES                 | -                                                                         |
