

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

Part Number:MC74HC1G32DTT1

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC GATE OR 1CH 2-INP 5TSOP

Datasheets:

MC74HC1G32DTT1.pdf

RoHs Status:

Contains lead / RoHS non-compliant

Stock Condition:3308 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of MC74HC1G32DTT1

|                                   |                                                                                                        |
|-----------------------------------|--------------------------------------------------------------------------------------------------------|

| DATA SHEET                        |  MC74HC1G32DTT1.pdf |
| VOLTAGE - SUPPLY                  | 2 V ~ 6 V                                                                                              |
| SUPPLIER DEVICE PACKAGE           | 5-TSOP                                                                                                 |
| SERIES                            | 74HC                                                                                                   |
| PACKAGING                         | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                    | SOT-23-5 Thin, TSOT-23-5                                                                               |
| OTHER NAMES                       | MC74HC1G32DTT1OS                                                                                       |
| OPERATING TEMPERATURE             | -55°C ~ 125°C                                                                                          |
| NUMBER OF INPUTS                  | 2                                                                                                      |
| NUMBER OF CIRCUITS                | 1                                                                                                      |
| MOUNTING TYPE                     | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                          |
| MAX PROPAGATION DELAY @ V, MAX CL | 17ns @ 6V, 50pF                                                                                        |
| LOGIC TYPE                        | OR Gate                                                                                                |
| LOGIC LEVEL - LOW                 | 0.5 V ~ 1.8 V                                                                                          |
| LOGIC LEVEL - HIGH                | 1.5 V ~ 4.2 V                                                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                     |
| FEATURES                          | -                                                                                                      |
| DETAILED DESCRIPTION              | OR Gate IC 1 Channel 5-TSOP                                                                            |
| CURRENT - QUIESCENT (MAX)         | 1µA                                                                                                    |
| CURRENT - OUTPUT HIGH, LOW        | 2.6mA, 2.6mA                                                                                           |
| BASE PART NUMBER                  | 74HC1G32                                                                                               |
