| DESCRIPTION                      | IC REG LIN 2.8V/3V 150MA 8USMD                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| QUANTITY AVAILABLE               | 3045 pcs                                                                              |
| DATA SHEET                       |                                                                                       |
| VOLTAGE DROPOUT (MAX)            | 0.42V @ 150mA                                                                         |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.8V, 3V                                                                              |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                     |
| VOLTAGE - INPUT (MAX)            | 16V                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 8-μSMD (1.41x1.95)                                                                    |
| SERIES                           | -                                                                                     |
| PROTECTION FEATURES              | Over Current, Over Temperature, Short Circuit                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                      |
| PACKAGE / CASE                   | 8-UFBGA                                                                               |
| PSRR                             | 52dB ~ 70dB (120Hz ~ 1MHz)                                                            |
| OUTPUT TYPE                      | Fixed                                                                                 |
| OUTPUT CONFIGURATION             | Positive                                                                              |
| OTHER NAMES                      | LP2967ITPX-2830<br>LP2967ITPX-2830-ND                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                         |
| NUMBER OF REGULATORS             | 2                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 2 Output 2.8V, 3V 150mA 8-μSMD (1.41x1.95) |
| CURRENT - SUPPLY (MAX)           | 5mA                                                                                   |
| CURRENT - QUIESCENT (IQ)         | 300μA                                                                                 |
| CURRENT - OUTPUT                 | 150mA                                                                                 |
| CONTROL FEATURES                 | Enable                                                                                |
| BASE PART NUMBER                 | LP2967                                                                                |
