Specifications of LTC6993IS6-3#TRPBF

|                                  |                                                                                                            |
|----------------------------------|------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LTC6993IS6-3#TRPBF                                                                                         |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                                 |
| DESCRIPTION                      | IC MONO MULTIVIBRATOR TSOT23-6                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| QUANTITY AVAILABLE               | 53235 pcs                                                                                                  |
| DATA SHEET                       |  LTC6993IS6-3#TRPBF.pdf |
| VOLTAGE - SUPPLY                 | 2.25V ~ 5.5V                                                                                               |
| SUPPLIER DEVICE PACKAGE          | TSOT-23-6                                                                                                  |
| SERIES                           | LTC@6993                                                                                                   |
| SCHMITT TRIGGER INPUT            | No                                                                                                         |
| PROPAGATION DELAY                | 11ns                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                   | SOT-23-6 Thin, TSOT-23-6                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                              |
| LOGIC TYPE                       | Monostable                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| INDEPENDENT CIRCUITS             | 1                                                                                                          |
| DETAILED DESCRIPTION             | Monostable Multivibrator 11ns TSOT-23-6                                                                    |
| CURRENT - OUTPUT HIGH, LOW       | 16mA, 16mA                                                                                                 |
| BASE PART NUMBER                 | LTC6993                                                                                                    |
