

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number:MC74HC4046AFG

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC PHASE LOCKED LOOP 16-SOEIAJ

Datasheets: MC74HC4046AFG.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:3441 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MC74HC4046AFG

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|

| DATA SHEET                       |  MC74HC4046AFG.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 6 V                                                                                             |
| TYPE                             | Phase Lock Loop (PLL)                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 16-SOEIAJ                                                                                             |
| SERIES                           | 74HC                                                                                                  |
| RATIO - INPUT:OUTPUT             | 1:4                                                                                                   |
| PACKAGING                        | Tube                                                                                                  |
| PACKAGE / CASE                   | 16-SOIC (0.209", 5.30mm Width)                                                                        |
| PLL                              | Yes                                                                                                   |
| OUTPUT                           | CMOS                                                                                                  |
| OTHER NAMES                      | MC74HC4046AFG-ND<br>MC74HC4046AFGOS                                                                   |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                         |
| NUMBER OF CIRCUITS               | 1                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| INPUT                            | CMOS                                                                                                  |
| FREQUENCY - MAX                  | 13MHz                                                                                                 |
| DIVIDER/MULTIPLIER               | No/No                                                                                                 |
| DIFFERENTIAL - INPUT:OUTPUT      | -                                                                                                     |
| BASE PART NUMBER                 | MC74HC4046A                                                                                           |
