Specifications of PDB-C535-ST

|                                  |                                          |
|----------------------------------|------------------------------------------|
| PART NUMBER                      | PDB-C535-ST                              |
| MANUFACTURER                     | Advanced Photonix (Luna Optoelectronics) |
| DESCRIPTION                      | PHOTODIODE BLUE FIBER OPTIC ST           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant       |
| QUANTITY AVAILABLE               | 4850 pcs                                 |
| DATA SHEET                       |                                          |
| WAVELENGTH                       | -                                        |
| VIEWING ANGLE                    | -                                        |
| SPECTRAL RANGE                   | -                                        |
| SERIES                           | -                                        |
| RESPONSIVITY @ NM                | -                                        |
| RESPONSE TIME                    | -                                        |
| PACKAGING                        | -                                        |
| PACKAGE / CASE                   | -                                        |
| OTHER NAMES                      | PT-PDB-C535-ST                           |
| OPERATING TEMPERATURE            | -                                        |
| MOUNTING TYPE                    | -                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant       |
| DIODE TYPE                       | -                                        |
| DETAILED DESCRIPTION             | Photodiode                               |
| CURRENT - DARK (TYP)             | -                                        |
| COLOR - ENHANCED                 | -                                        |
| ACTIVE AREA                      | -                                        |
