## Honeywell Sensing and

## Productivity Solutions

Image may be representation. See specifications for product details.

## 151ML1

Part Number:

151MI 1

Manufacturer/Brand:

Honeywell Sensing and Productivity Solutions

### Product description

SWITCH SNAP ACTION SPDT 10A 120V

Datasheets:

151ML1.pdf

RoHS Status

✓ Lead free / RoHS Compliant

### Stock Condition

136 pcs stock

Ship From

Hong Kong

Shipment Way

DHL /Fedex/TNT/UPS/EMS

## REQUEST FOR QUOTATION

## Specifications of 151ML1

|                                  |                                                                                                                |

| DESCRIPTION                      | SWITCH SNAP ACTION SPDT 10A 120V                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                     |
| QUANTITY AVAILABLE               | 136 pcs                                                                                                        |
| DATA SHEET                       |  <a href="#">151ML1.pdf</a> |
| VOLTAGE RATING - DC              | 115V                                                                                                           |
| VOLTAGE RATING - AC              | 120V                                                                                                           |
| TERMINATION STYLE                | Screw Terminal                                                                                                 |
| SWITCH FUNCTION                  | On-Mom                                                                                                         |
| SERIES                           | ML                                                                                                             |
| RELEASE FORCE                    | 113gf                                                                                                          |
| PRETRAVEL                        | 15°                                                                                                            |
| PACKAGING                        | Bulk                                                                                                           |
| OVERTRAVEL                       | 60°                                                                                                            |
| OTHER NAMES                      | 151ML1-ND<br>480-4009                                                                                          |
| OPERATING TEMPERATURE            | -                                                                                                              |
| OPERATING POSITION               | -                                                                                                              |
| OPERATING FORCE                  | 1360gf                                                                                                         |
| MOUNTING TYPE                    | Chassis Mount                                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                  |
| MECHANICAL LIFE                  | -                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                     |
| INGRESS PROTECTION               | -                                                                                                              |
| FEATURES                         | Sealed                                                                                                         |
| ELECTRICAL LIFE                  | -                                                                                                              |
| DIFFERENTIAL TRAVEL              | 7°                                                                                                             |
| CURRENT RATING                   | 10A (AC), 800mA (DC)                                                                                           |
| CIRCUIT                          | SPDT (DB/DM)                                                                                                   |
| ACTUATOR TYPE                    | Side Rotary, Roller                                                                                            |
