| DATA SHEET                       |  ISL80510IRAJZ.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.212V @ 1A                                                                                           |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 0.8V                                                                                                  |
| VOLTAGE - OUTPUT (MAX)           | 5.5V                                                                                                  |
| VOLTAGE - INPUT (MAX)            | 6V                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 8-DFN (3x3)                                                                                           |
| SERIES                           | -                                                                                                     |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                        |
| PACKAGING                        | Tube                                                                                                  |
| PACKAGE / CASE                   | 8-VDFN Exposed Pad                                                                                    |
| PSRR                             | 58dB ~ 48dB (120Hz ~ 1kHz)                                                                            |
| OUTPUT TYPE                      | Adjustable                                                                                            |
| OUTPUT CONFIGURATION             | Positive                                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                         |
| NUMBER OF REGULATORS             | 1                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Adjustable 1 Output 0.8 V ~ 5.5 V 1A 8-DFN (3x3)                 |
| CURRENT - SUPPLY (MAX)           | 5.7mA                                                                                                 |
| CURRENT - QUIESCENT (IQ)         | 4.6mA                                                                                                 |
| CURRENT - OUTPUT                 | 1A                                                                                                    |
| CONTROL FEATURES                 | Enable, Soft Start                                                                                    |
