Specifications of SN74HC125PWR

|                                  |                                                                           |
|----------------------------------|---------------------------------------------------------------------------|
| PART NUMBER                      | SN74HC125PWR                                                              |
| MANUFACTURER                     | N/A                                                                       |
| DESCRIPTION                      | IC BUFFER NON-INVERT 6V 14TSSOP                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                |
| QUANTITY AVAILABLE               | 186957 pcs                                                                |
| DATA SHEET                       |                                                                           |
| VOLTAGE - SUPPLY                 | 2 V ~ 6 V                                                                 |
| SUPPLIER DEVICE PACKAGE          | 14-TSSOP                                                                  |
| SERIES                           | 74HC                                                                      |
| PACKAGING                        | Original-Reel®                                                            |
| PACKAGE / CASE                   | 14-TSSOP (0.173", 4.40mm Width)                                           |
| OUTPUT TYPE                      | 3-State                                                                   |
| OTHER NAMES                      | 296-26461-6                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                         |
| NUMBER OF ELEMENTS               | 4                                                                         |
| NUMBER OF BITS PER ELEMENT       | 1                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                             |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                |
| INPUT TYPE                       | -                                                                         |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 4 Element 1 Bit per Element 3-State Output 14-TSSOP |
| CURRENT - OUTPUT HIGH, LOW       | 7.8mA, 7.8mA                                                              |
| BASE PART NUMBER                 | 74HC125                                                                   |
