P5021NSE7VNC

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | P5021NSE7VNC                                                                                                 |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC SOC 64BIT 2X2.0GHZ 1295FCBGA                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 417 pcs stock                                                                                                |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of P5021NSE7VNC

|                                  |                                                                                                   |

| MANUFACTURER                     | NXP Semiconductors / Freescale                                                                    |
| DESCRIPTION                      | IC SOC 64BIT 2X2.0GHZ 1295FCBGA                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| QUANTITY AVAILABLE               | 417 pcs                                                                                           |
| DATA SHEET                       |                                                                                                   |
| VOLTAGE - I/O                    | 1.0V, 1.1V                                                                                        |
| USB                              | USB 2.0 + PHY (2)                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 1295-FCPBGA (37.5x37.5)                                                                           |
| SPEED                            | 2.0GHz                                                                                            |
| SERIES                           | QorIQ P5                                                                                          |
| SECURITY FEATURES                | Boot Security, Cryptography, Secure Fusebox, Secure Debug, Tamper Detection, Volatile key Storage |
| SATA                             | SATA 3Gbps (2)                                                                                    |
| RAM CONTROLLERS                  | DDR3, DDR3L                                                                                       |
| PACKAGING                        | Tray                                                                                              |
| PACKAGE / CASE                   | 1295-BBGA, FCBGA                                                                                  |
| OTHER NAMES                      | 935321971557                                                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 105°C (TA)                                                                                  |
| NUMBER OF CORES/BUS WIDTH        | 2 Core, 64-Bit                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| GRAPHICS ACCELERATION            | No                                                                                                |
| ETHERNET                         | 1 Gbps (10), 10 Gbps (2)                                                                          |
| DISPLAY & INTERFACE CONTROLLERS  | -                                                                                                 |
| DETAILED DESCRIPTION             | PowerPC e5500 Microprocessor IC QorIQ P5 2 Core, 64-Bit 2.0GHz 1295-FCPBGA (37.5x37.5)            |
| CORE PROCESSOR                   | PowerPC e5500                                                                                     |
| CO-PROCESSORS/DSP                | -                                                                                                 |
| ADDITIONAL INTERFACES            | I <sup>2</sup> C, MMC/SD, PCIe, SPI, UART                                                         |
