LTC1261LIMS8#TRPBF

Part Number:

LTC1261LIMS8#TRPBF

Manufacturer/Brand:

ADI (Analog Devices, Inc.)

Product description

IC REG SWTCHD CAP INV ADJ 8MSOP

Datasheets:

 LTC1261LIMS8#TRPBF.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

35540 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of LTC1261LIMS8#TRPBF

|                                  |                                                                                                                    |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LTC1261LIMS8#TRPBF                                                                                                 |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                                         |
| DESCRIPTION                      | IC REG SWTCHD CAP INV ADJ 8MSOP                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| QUANTITY AVAILABLE               | 35540 pcs                                                                                                          |
| DATA SHEET                       |  LTC1261LIMS8#TRPBF.pdf         |
| VOLTAGE - OUTPUT (MIN/FIXED)     | -1.23V                                                                                                             |
| VOLTAGE - OUTPUT (MAX)           | -5V                                                                                                                |
| VOLTAGE - INPUT (MIN)            | 2.7V                                                                                                               |
| VOLTAGE - INPUT (MAX)            | 5.25V                                                                                                              |
| TOPOLOGY                         | Charge Pump                                                                                                        |
| SYNCHRONOUS RECTIFIER            | No                                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 8-MSOP                                                                                                             |
| SERIES                           | -                                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                                   |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                             |
| OUTPUT TYPE                      | Adjustable                                                                                                         |
| OUTPUT CONFIGURATION             | Negative                                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                  |
| NUMBER OF OUTPUTS                | 1                                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| FUNCTION                         | Step-Up/Step-Down                                                                                                  |
| FREQUENCY - SWITCHING            | 650kHz                                                                                                             |
| DETAILED DESCRIPTION             | Charge Pump Switching Regulator IC Negative Adjustable -1.23V 1 Output 20mA 8-TSSOP, 8-MSOP (0.118", 3.00mm Width) |
| CURRENT - OUTPUT                 | 20mA                                                                                                               |
| BASE PART NUMBER                 | LTC1261                                                                                                            |
