LTC4241CGN#TRPBF

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LTC4241CGN#TRPBF                                                                                             |
| Manufacturer/Brand: | ADI (Analog Devices, Inc.)                                                                                   |
| Product description | IC PCI-BUS W/HOT SWAP 20SSOP                                                                                 |
| Datasheets:         |  LTC4241CGN#TRPBF.pdf       |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 41473 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

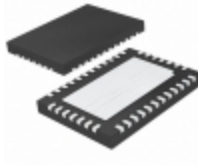

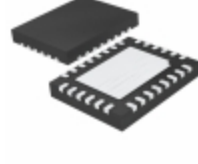

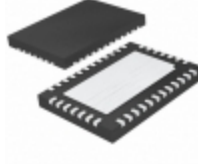

Specifications of LTC4241CGN#TRPBF

|                                  |                                                                                                          |

| QUANTITY AVAILABLE               | 41473 pcs                                                                                                |
| DATA SHEET                       |  LTC4241CGN#TRPBF.pdf |
| VOLTAGE - SUPPLY                 | 3.3V, 5V, ±12V                                                                                           |
| TYPE                             | Hot Swap Controller                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 20-SSOP                                                                                                  |
| SERIES                           | -                                                                                                        |
| PROGRAMMABLE FEATURES            | Current Limit, Fault Timeout, Slew Rate                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 20-SSOP (0.154", 3.90mm Width)                                                                           |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                               |
| NUMBER OF CHANNELS               | 5                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| INTERNAL SWITCH(S)               | Both                                                                                                     |
| FEATURES                         | Latched Fault, Thermal Limit, UVLO                                                                       |
| FEATURE PINS                     | AUXON, /FAULT, ON, /PWRGD, TIMER                                                                         |
| DETAILED DESCRIPTION             | Hot Swap Controller 5 Channel PCI, PCI-X 20-SSOP                                                         |
| CURRENT - OUTPUT (MAX)           | -                                                                                                        |
| BASE PART NUMBER                 | LTC4241                                                                                                  |
| APPLICATIONS                     | PCI, PCI-X                                                                                               |
