Semiconductor

ON Semiconductor®

4N26FVM

Part Number: 4N26FVM

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: OPTOISO 7.5KV TRANS W/BASE 6SMD

Datasheets:  4N26FVM.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 3850 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of 4N26FVM

|                                  |                                                                                                 |

| DESCRIPTION                      | OPTOISO 7.5KV TRANS W/BASE 6SMD                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| QUANTITY AVAILABLE               | 3850 pcs                                                                                        |
| DATA SHEET                       |  4N26FVM.pdf |
| VOLTAGE - OUTPUT (MAX)           | 30V                                                                                             |
| VOLTAGE - ISOLATION              | 7500Vpk                                                                                         |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.18V                                                                                           |
| VCE SATURATION (MAX)             | 500mV                                                                                           |
| TURN ON / TURN OFF TIME (TYP)    | 2µs, 2µs                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 6-SMD                                                                                           |
| SERIES                           | -                                                                                               |
| RISE / FALL TIME (TYP)           | -                                                                                               |
| PACKAGING                        | Tube                                                                                            |
| PACKAGE / CASE                   | 6-SMD, Gull Wing                                                                                |
| OUTPUT TYPE                      | Transistor with Base                                                                            |
| OPERATING TEMPERATURE            | -55°C ~ 100°C                                                                                   |
| NUMBER OF CHANNELS               | 1                                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| INPUT TYPE                       | DC                                                                                              |
| DETAILED DESCRIPTION             | Optoisolator Transistor with Base Output 7500Vpk 1 Channel 6-SMD                                |
| CURRENT TRANSFER RATIO (MIN)     | 20% @ 10mA                                                                                      |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                               |
| CURRENT - OUTPUT / CHANNEL       | -                                                                                               |
| CURRENT - DC FORWARD (IF) (MAX)  | 60mA                                                                                            |
| BASE PART NUMBER                 | 4N26                                                                                            |
