Specifications of MT29F4G08ABBD~~AHC~~:D TR

|                                  |                                                         |
|----------------------------------|---------------------------------------------------------|
| PART NUMBER                      | MT29F4G08ABBD <del>AHC</del> :D TR                      |
| MANUFACTURER                     | Micron Technology                                       |
| DESCRIPTION                      | IC FLASH 4G PARALLEL 63VFBGA                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| QUANTITY AVAILABLE               | 22741 pcs                                               |
| DATA SHEET                       |                                                         |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                       |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 1.95 V                                          |
| TECHNOLOGY                       | FLASH - NAND                                            |
| SUPPLIER DEVICE PACKAGE          | 63-VFBGA                                                |
| SERIES                           | -                                                       |
| PACKAGING                        | Tape & Reel (TR)                                        |
| PACKAGE / CASE                   | 63-VFBGA                                                |
| OTHER NAMES                      | 557-1460-2<br>MT29F4G08ABBD <del>AHC</del> CDTR         |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                         |
| MOUNTING TYPE                    | Surface Mount                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                           |
| MEMORY TYPE                      | Non-Volatile                                            |
| MEMORY SIZE                      | 4Gb (512M x 8)                                          |
| MEMORY INTERFACE                 | Parallel                                                |
| MEMORY FORMAT                    | FLASH                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 4Gb (512M x 8) Parallel 63-VFBGA |
| BASE PART NUMBER                 | MT29F4G08                                               |
