

EPCOS

B58623K0520A003

Part Number: B58623K0520A003

Manufacturer/Brand: EPCOS

Product description: PRESSURE SENSOR AUS 0.400 KC C4

Datasheets:  B58623K0520A003.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 1045 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of B58623K0520A003

|                                  |                                                                                                         |

| PART NUMBER                      | B58623K0520A003                                                                                         |
| MANUFACTURER                     | EPCOS                                                                                                   |
| DESCRIPTION                      | PRESSURE SENSOR AUS 0.400 KC C4                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| QUANTITY AVAILABLE               | 1045 pcs                                                                                                |
| DATA SHEET                       |  B58623K0520A003.pdf |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                                                             |
| TERMINATION STYLE                | Solder Pad                                                                                              |
| SERIES                           | CAU-T                                                                                                   |
| PRESSURE TYPE                    | Absolute                                                                                                |
| PORT STYLE                       | Threaded                                                                                                |
| PORT SIZE                        | Male - M5                                                                                               |
| PACKAGE / CASE                   | Module                                                                                                  |
| OUTPUT TYPE                      | Analog Current                                                                                          |
| OUTPUT                           | 4 mA ~ 20 mA                                                                                            |
| OTHER NAMES                      | B58623K 520A 3<br>B58623K520A3                                                                          |
| OPERATING TEMPERATURE            | -25°C ~ 85°C                                                                                            |
| OPERATING PRESSURE               | 87.02 PSI (600 kPa)                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| MAXIMUM PRESSURE                 | 130.53 PSI (900 kPa)                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| FEATURES                         | Temperature Compensated                                                                                 |
| DETAILED DESCRIPTION             | Pressure Sensor 87.02 PSI (600 kPa) Absolute Male - M5 4 mA ~ 20 mA Module                              |
| ACCURACY                         | ±2%                                                                                                     |
