Specifications of BCM920732\_BLE\_KIT

|                                |                                                    |
|--------------------------------|----------------------------------------------------|
| PART NUMBER                    | BCM920732_BLE_KIT                                  |
| MANUFACTURER                   | Cypress Semiconductor                              |
| DESCRIPTION                    | LOW-POWER BLUETOOTH 4.0 SINGLE-C                   |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                         |
| QUANTITY AVAILABLE             | 5972 pcs                                           |
| DATA SHEET                     |                                                    |
| TYPE                           | Transceiver; Bluetooth® Smart 4.x Low Energy (BLE) |
| SUPPLIED CONTENTS              | Board(s)                                           |
| SERIES                         | -                                                  |
| OTHER NAMES                    | 428-3635<br>LF960P-BCM920732-BLE-KIT               |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                         |
| FREQUENCY                      | 2.4GHz                                             |
| FOR USE WITH/RELATED PRODUCTS  | BCM20732                                           |
