

SII Semiconductor Corporation

Part Number:  
Manufacturer/Brand:  
Product description:  
Datasheets:  
RoHs Status:  
Stock Condition:  
Ship From:  
Shipment Way:

S-8261ABPMD-G3PT2G  
SII Semiconductor Corporation  
IC LI-ION BATT PROTECT SOT23-6  
 S-8261ABPMD-G3PT2G.pdf  
 Lead free / RoHS Compliant  
279145 pcs stock  
Hong Kong  
DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of S-8261ABPMD-G3PT2G

|                                  |                                                                                                            |
|----------------------------------|------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | S-8261ABPMD-G3PT2G                                                                                         |
| MANUFACTURER                     | SII Semiconductor Corporation                                                                              |
| DESCRIPTION                      | IC LI-ION BATT PROTECT SOT23-6                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| QUANTITY AVAILABLE               | 279145 pcs                                                                                                 |
| DATA SHEET                       |  S-8261ABPMD-G3PT2G.pdf |
| SUPPLIER DEVICE PACKAGE          | SOT-23-6                                                                                                   |
| SERIES                           | -                                                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                   | SOT-23-6                                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                          |
| NUMBER OF CELLS                  | 1                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| INTERFACE                        | -                                                                                                          |
| FUNCTION                         | Battery Protection                                                                                         |
| FAULT PROTECTION                 | Over Current, Short Circuit                                                                                |
| DETAILED DESCRIPTION             | Battery Battery Protection IC Lithium Ion/Polymer SOT-23-6                                                 |
| BATTERY CHEMISTRY                | Lithium Ion/Polymer                                                                                        |
