| QUANTITY AVAILABLE                   | 4204 pcs                                                                                              |
| DATA SHEET                           |  MAX5078AATT-T.pdf |
| VOLTAGE - SUPPLY                     | 4 V ~ 15 V                                                                                            |
| SUPPLIER DEVICE PACKAGE              | 6-TDFN-EP (3x3)                                                                                       |
| SERIES                               | -                                                                                                     |
| RISE / FALL TIME (TYP)               | 32ns, 26ns                                                                                            |
| PACKAGING                            | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                       | 6-WDFN Exposed Pad                                                                                    |
| OPERATING TEMPERATURE                | -40°C ~ 150°C (TJ)                                                                                    |
| NUMBER OF DRIVERS                    | 1                                                                                                     |
| MOUNTING TYPE                        | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                                                         |
| LOGIC VOLTAGE - VIL, VIH             | -                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                            |
| INPUT TYPE                           | Inverting, Non-Inverting                                                                              |
| GATE TYPE                            | N-Channel MOSFET                                                                                      |
| DRIVEN CONFIGURATION                 | Low-Side                                                                                              |
| DETAILED DESCRIPTION                 | Low-Side Gate Driver IC Inverting, Non-Inverting 6-TDFN-EP (3x3)                                      |
| CURRENT - PEAK OUTPUT (SOURCE, SINK) | 4A, 4A                                                                                                |
| CHANNEL TYPE                         | Single                                                                                                |
| BASE PART NUMBER                     | MAX5078                                                                                               |
