

CY14ME064J2-SXQ

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | CY14ME064J2-SXQ                                                                                              |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC NVSRAM 64K I2C 3.4MHZ 8SOIC                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 22544 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of CY14ME064J2-SXQ

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | CY14ME064J2-SXQ                                                      |
| MANUFACTURER                     | Cypress Semiconductor                                                |
| DESCRIPTION                      | IC NVSRAM 64K I2C 3.4MHZ 8SOIC                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| QUANTITY AVAILABLE               | 22544 pcs                                                            |
| DATA SHEET                       |                                                                      |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                                    |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                        |
| TECHNOLOGY                       | NVSRAM (Non-Volatile SRAM)                                           |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                               |
| SERIES                           | -                                                                    |
| PACKAGING                        | Tube                                                                 |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                        |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                   |
| MOUNTING TYPE                    | Surface Mount                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                        |
| MEMORY TYPE                      | Non-Volatile                                                         |
| MEMORY SIZE                      | 64Kb (8K x 8)                                                        |
| MEMORY INTERFACE                 | I²C                                                                  |
| MEMORY FORMAT                    | NVSRAM                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| DETAILED DESCRIPTION             | NVSRAM (Non-Volatile SRAM) Memory IC 64Kb (8K x 8) I²C 3.4MHz 8-SOIC |
| CLOCK FREQUENCY                  | 3.4MHz                                                               |
