S-882133ABD-M2ITFG

|                     |                               |
|---------------------|-------------------------------|
| Part Number:        | S-882133ABD-M2ITFG            |
| Manufacturer/Brand: | SII Semiconductor Corporation |
| Product description | IC REG SWITCHD CAP 3.3V SOT23 |
| Datasheets:         |                               |
| RoHs Status         | Lead free / RoHS Compliant    |
| Stock Condition     | 6293 pcs stock                |
| Ship From           | Hong Kong                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS         |

REQUEST FOR QUOTATION

Specifications of S-882133ABD-M2ITFG

|                                  |                                                                                         |
|----------------------------------|-----------------------------------------------------------------------------------------|
| PART NUMBER                      | S-882133ABD-M2ITFG                                                                      |
| MANUFACTURER                     | SII Semiconductor Corporation                                                           |
| DESCRIPTION                      | IC REG SWITCHD CAP 3.3V SOT23                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                              |
| QUANTITY AVAILABLE               | 6293 pcs                                                                                |
| DATA SHEET                       |                                                                                         |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                                    |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                       |
| VOLTAGE - INPUT (MIN)            | 1.6V                                                                                    |
| VOLTAGE - INPUT (MAX)            | 5V                                                                                      |
| TOPOLOGY                         | Charge Pump                                                                             |
| SYNCHRONOUS RECTIFIER            | No                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 6-SNB (1.8x2.0)                                                                         |
| SERIES                           | -                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                        |
| PACKAGE / CASE                   | 6-VDFN Exposed Pad                                                                      |
| OUTPUT TYPE                      | Fixed                                                                                   |
| OUTPUT CONFIGURATION             | Positive                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                       |
| NUMBER OF OUTPUTS                | 1                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                              |
| FUNCTION                         | Step-Up                                                                                 |
| FREQUENCY - SWITCHING            | 1MHz                                                                                    |
| DETAILED DESCRIPTION             | Charge Pump Switching Regulator IC Positive Fixed 3.3V 1 Output 25mA 6-VDFN Exposed Pad |
| CURRENT - OUTPUT                 | 25mA                                                                                    |
