| MANUFACTURER                     | Advanced Sensors / Amphenol                                                                                           |
| DESCRIPTION                      | SENSOR PRES 1KPSI SEALED GAUGE                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS Compliant                                                                                        |
| QUANTITY AVAILABLE               | 1344 pcs                                                                                                              |
| DATA SHEET                       |  <a href="#">NPI-15B-1K0SV.pdf</a> |
| VOLTAGE - SUPPLY                 | 10 V ~ 15 V                                                                                                           |
| TERMINATION STYLE                | Flex Cable                                                                                                            |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                                     |
| SERIES                           | NPI-15VC                                                                                                              |
| PRESSURE TYPE                    | Sealed Gauge                                                                                                          |
| PORT STYLE                       | Threaded                                                                                                              |
| PORT SIZE                        | Male - 1/2" (12.7mm) UNF                                                                                              |
| PACKAGE / CASE                   | Cylinder                                                                                                              |
| OUTPUT TYPE                      | Wheatstone Bridge                                                                                                     |
| OUTPUT                           | 0 mV ~ 100 mV (10V)                                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                         |
| OPERATING PRESSURE               | 1000 PSI (6894.76 kPa)                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                         |
| MAXIMUM PRESSURE                 | 2000 PSI (13789.51 kPa)                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS Compliant                                                                                        |
| FEATURES                         | Temperature Compensated                                                                                               |
| DETAILED DESCRIPTION             | Pressure Sensor 1000 PSI (6894.76 kPa) Sealed Gauge Male - 1/2" (12.7mm) UNF 0 mV ~ 100 mV (10V) Cylinder             |
| ACCURACY                         | ±0.35%                                                                                                                |
