|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LPV321DBVRE4                                                                                                 |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC OPAMP GP 237KHZ RRO SOT23-5                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 5881 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

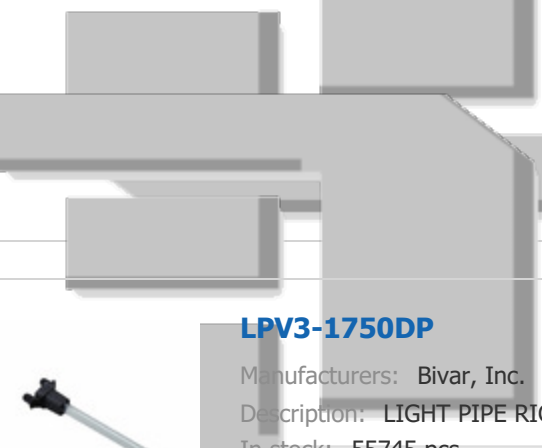

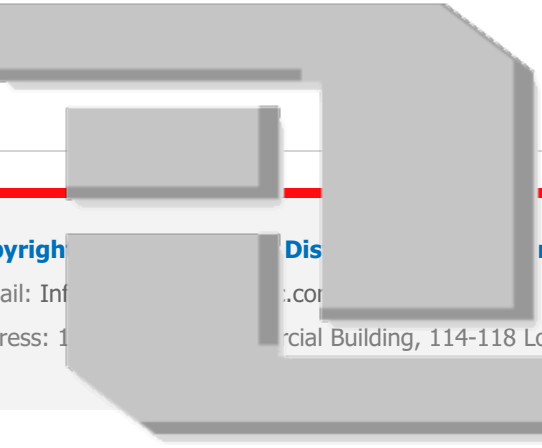

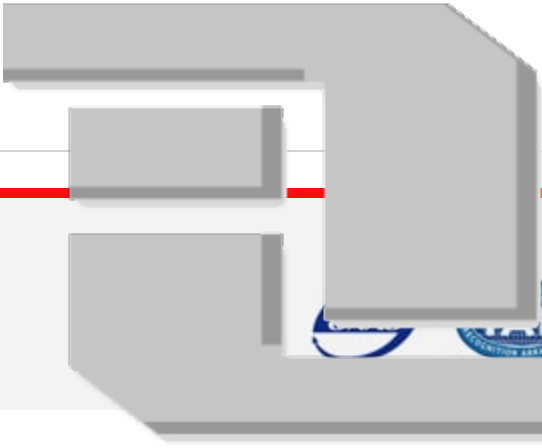

Specifications of LPV321DBVRE4

|                                   |                                                           |
|-----------------------------------|-----------------------------------------------------------|
| PART NUMBER                       | LPV321DBVRE4                                              |
| MANUFACTURER                      | N/A                                                       |
| DESCRIPTION                       | IC OPAMP GP 237KHZ RRO SOT23-5                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                |
| QUANTITY AVAILABLE                | 5881 pcs                                                  |
| DATA SHEET                        |                                                           |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 5 V                                               |
| VOLTAGE - INPUT OFFSET            | 1.5mV                                                     |
| SUPPLIER DEVICE PACKAGE           | SOT-23-5                                                  |
| SLEW RATE                         | 0.1 V/μs                                                  |
| SERIES                            | -                                                         |
| PACKAGING                         | Tape & Reel (TR)                                          |
| PACKAGE / CASE                    | SC-74A, SOT-753                                           |
| OUTPUT TYPE                       | Rail-to-Rail                                              |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                              |
| NUMBER OF CIRCUITS                | 1                                                         |
| MOUNTING TYPE                     | Surface Mount                                             |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                |
| GAIN BANDWIDTH PRODUCT            | 237kHz                                                    |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit Rail-to-Rail SOT-23-5 |
| CURRENT - SUPPLY                  | 9μA                                                       |
| CURRENT - INPUT BIAS              | 2nA                                                       |
| BASE PART NUMBER                  | LPV321                                                    |
| AMPLIFIER TYPE                    | General Purpose                                           |
