## AT24C11-10TU-2.7

|                     |                                                                                                                        |
|---------------------|------------------------------------------------------------------------------------------------------------------------|
| Part Number:        | AT24C11-10TU-2.7                                                                                                       |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                          |
| Product description | IC EEPROM 1K I2C 1MHZ 8TSSOP                                                                                           |
| Datasheets:         |  <a href="#">AT24C11-10TU-2.7.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant           |
| Stock Condition     | 7086 pcs stock                                                                                                         |
| Ship From           | Hong Kong                                                                                                              |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                  |

### Specifications of AT24C11-10TU-2.7

|                                  |                                                                                                                          |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | AT24C11-10TU-2.7                                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                                            |
| DESCRIPTION                      | IC EEPROM 1K I2C 1MHZ 8TSSOP                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| QUANTITY AVAILABLE               | 7086 pcs                                                                                                                 |
| DATA SHEET                       |  <a href="#">AT24C11-10TU-2.7.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 5ms                                                                                                                      |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                                            |
| TECHNOLOGY                       | EEPROM                                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                                                                                                  |
| SERIES                           | -                                                                                                                        |
| PACKAGING                        | Tube                                                                                                                     |
| PACKAGE / CASE                   | 8-TSSOP (0.173", 4.40mm Width)                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                            |
| MEMORY TYPE                      | Non-Volatile                                                                                                             |
| MEMORY SIZE                      | 1Kb (128 x 8)                                                                                                            |
| MEMORY INTERFACE                 | I²C                                                                                                                      |
| MEMORY FORMAT                    | EEPROM                                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| DETAILED DESCRIPTION             | EEPROM Memory IC 1Kb (128 x 8) I²C 1MHz 550ns 8-TSSOP                                                                    |
| CLOCK FREQUENCY                  | 1MHz                                                                                                                     |
| BASE PART NUMBER                 | AT24C11                                                                                                                  |
| ACCESS TIME                      | 550ns                                                                                                                    |
