

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number:74VCXH245MTCX

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC TXRX NON-INVERT 3.6V 20TSSOP

Datasheets: 74VCXH245MTCX.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:2843 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

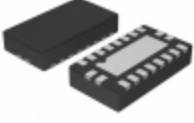

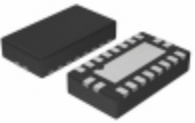

Specifications of 74VCXH245MTCX

|                                  |                                                                                                       |

| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC TXRX NON-INVERT 3.6V 20TSSOP                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| QUANTITY AVAILABLE               | 2843 pcs                                                                                              |
| DATA SHEET                       |  74VCXH245MTCX.pdf |
| VOLTAGE - SUPPLY                 | 1.2 V ~ 3.6 V                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 20-TSSOP                                                                                              |
| SERIES                           | 74VCXH                                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width)                                                                       |
| OUTPUT TYPE                      | 3-State                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                     |
| NUMBER OF ELEMENTS               | 1                                                                                                     |
| NUMBER OF BITS PER ELEMENT       | 8                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LOGIC TYPE                       | Transceiver, Non-Inverting                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| INPUT TYPE                       | -                                                                                                     |
| DETAILED DESCRIPTION             | Transceiver, Non-Inverting 1 Element 8 Bit per Element 3-State Output 20-TSSOP                        |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                                            |
| BASE PART NUMBER                 | 74VCXH245                                                                                             |
