218-2LPSTJ

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | 218-2LPSTJ                     |
| Manufacturer/Brand: | CTS Electronic Components      |
| Product description | SWITCH SLIDE DIP SPST 25MA 24V |
| Datasheets:         | 218-2LPSTJ.pdf                 |
| RoHs Status         | Lead free / RoHS Compliant     |
| Stock Condition     | 144698 pcs stock               |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of 218-2LPSTJ

|                                |                                                                               |
|--------------------------------|-------------------------------------------------------------------------------|
| PART NUMBER                    | 218-2LPSTJ                                                                    |
| MANUFACTURER                   | CTS Electronic Components                                                     |
| DESCRIPTION                    | SWITCH SLIDE DIP SPST 25MA 24V                                                |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                                    |
| QUANTITY AVAILABLE             | 144698 pcs                                                                    |
| DATA SHEET                     | 218-2LPSTJ.pdf                                                                |
| WASHABLE                       | Yes                                                                           |
| VOLTAGE RATING                 | 24VDC                                                                         |
| TERMINATION STYLE              | J Lead                                                                        |
| SERIES                         | 218                                                                           |
| PITCH                          | 0.050" (1.27mm), Half                                                         |
| PACKAGING                      | Tube                                                                          |
| OTHER NAMES                    | 218002LPSTJ<br>Q2719435                                                       |
| OPERATING TEMPERATURE          | -55°C ~ 85°C                                                                  |
| NUMBER OF POSITIONS            | 2                                                                             |
| MOUNTING TYPE                  | Surface Mount                                                                 |
| MECHANICAL LIFE                | -                                                                             |
| LENGTH                         | 0.146" (3.71mm)                                                               |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                                    |
| HEIGHT ABOVE BOARD             | 0.106" (2.70mm)                                                               |
| FEATURES                       | Epoxy Sealed Terminals, Tape Seal                                             |
| ELECTRICAL LIFE                | 1,000 Cycles                                                                  |
| DETAILED DESCRIPTION           | Dip Switch SPST 2 Position Surface Mount Slide (Standard) Actuator 25mA 24VDC |
| CURRENT RATING                 | 25mA                                                                          |
| CONTACT MATERIAL               | Beryllium Copper                                                              |
| CONTACT FINISH                 | Gold                                                                          |
| CIRCUIT                        | SPST                                                                          |
| BODY MATERIAL                  | -                                                                             |
| ACTUATOR TYPE                  | Slide (Standard)                                                              |
| ACTUATOR LEVEL                 | Flush, Recessed                                                               |
