| QUANTITY AVAILABLE               | 2960 pcs                                                                                                           |
| DATA SHEET                       |  <a href="#">CTSLV399TG.pdf</a> |
| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                                                                        |
| TYPE                             | Buffer, ReDriver                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 8-MSOP                                                                                                             |
| SIGNAL CONDITIONING              | -                                                                                                                  |
| SERIES                           | -                                                                                                                  |
| PACKAGING                        | Cut Tape (CT)                                                                                                      |
| PACKAGE / CASE                   | 8-VSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                             |
| OUTPUT                           | LVDS, LVPECL                                                                                                       |
| OTHER NAMES                      | CTX1334CT                                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                       |
| NUMBER OF CHANNELS               | 1                                                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| INPUT                            | LVDS, LVPECL                                                                                                       |
| DETAILED DESCRIPTION             | Buffer, ReDriver 1 Channel 8-MSOP                                                                                  |
| DELAY TIME                       | 400ps                                                                                                              |
| DATA RATE (MAX)                  | -                                                                                                                  |
| CURRENT - SUPPLY                 | 48mA                                                                                                               |
| APPLICATIONS                     | -                                                                                                                  |
