| QUANTITY AVAILABLE                | 9033 pcs                                                                                                             |
| DATA SHEET                        |  <a href="#">LT1721IS#PBF.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 6 V                                                                                                          |
| VOLTAGE - INPUT OFFSET (MAX)      | 3mV @ 5V                                                                                                             |
| TYPE                              | General Purpose                                                                                                      |
| SUPPLIER DEVICE PACKAGE           | 16-SOIC                                                                                                              |
| SERIES                            | UltraFast™                                                                                                           |
| PROPAGATION DELAY (MAX)           | 10ns                                                                                                                 |
| PACKAGING                         | Tube                                                                                                                 |
| PACKAGE / CASE                    | 16-SOIC (0.154", 3.90mm Width)                                                                                       |
| OUTPUT TYPE                       | CMOS, Rail-to-Rail, TTL                                                                                              |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                                         |
| NUMBER OF ELEMENTS                | 4                                                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                           |
| HYSTERESIS                        | 7mV                                                                                                                  |
| DETAILED DESCRIPTION              | Comparator General Purpose CMOS, Rail-to-Rail, TTL 16-SOIC                                                           |
| CURRENT - QUIESCENT (MAX)         | 7mA                                                                                                                  |
| CURRENT - OUTPUT (TYP)            | 20mA                                                                                                                 |
| CURRENT - INPUT BIAS (MAX)        | 6µA @ 5V                                                                                                             |
| CMRR, PSRR (TYP)                  | 70dB CMRR, 80dB PSRR                                                                                                 |
