**Productivity Solutions**

The image shows a red Honeywell 8000-101P solenoid valve. It has a black actuator arm with a circular end. The valve body is red with a black top plate. The top plate has the Honeywell logo, the model number 8000-101P, and a diagram of the valve's internal components. There are two silver screws on the top plate. The valve has a threaded port on the bottom right. A white label on the side of the valve contains technical specifications.

Image may be representation. See specifications for product details.
