

AMI Semiconductor / ON

Semiconductor

Part Number:LA6581T-TE-L-E

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC BRIDGE DRIVER ON/OFF H8MSOP

Datasheets: LA6581T-TE-L-E.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:3305 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of LA6581T-TE-L-E

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|

| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC BRIDGE DRIVER ON/OFF H8MSOP                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 3305 pcs                                                                                               |
| DATA SHEET                       |  LA6581T-TE-L-E.pdf |
| VOLTAGE - SUPPLY                 | 2.5 V ~ 16 V                                                                                           |
| VOLTAGE - LOAD                   | 2.5 V ~ 16 V                                                                                           |
| TECHNOLOGY                       | Bipolar                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 8-MSOP                                                                                                 |
| SERIES                           | -                                                                                                      |
| RDS ON (TYP)                     | -                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                 |
| OUTPUT CONFIGURATION             | Half Bridge (2)                                                                                        |
| OPERATING TEMPERATURE            | -20°C ~ 90°C (TA)                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LOAD TYPE                        | Inductive                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INTERFACE                        | Logic                                                                                                  |
| FEATURES                         | -                                                                                                      |
| FAULT PROTECTION                 | Over Temperature                                                                                       |
| DETAILED DESCRIPTION             | Half Bridge (2) Driver DC Motors, General Purpose Bipolar 8-MSOP                                       |
| CURRENT - PEAK OUTPUT            | -                                                                                                      |
| CURRENT - OUTPUT / CHANNEL       | 300mA                                                                                                  |
| APPLICATIONS                     | DC Motors, General Purpose                                                                             |
