LS2088AXN7V1B

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LS2088AXN7V1B                                                                                                |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | LS2088A XT 2000 R1.1                                                                                         |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 195 pcs stock                                                                                                |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

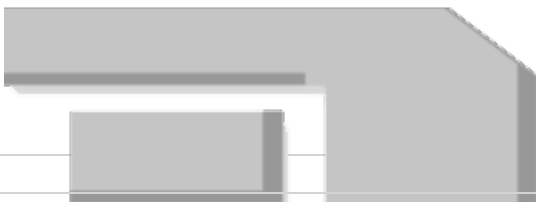

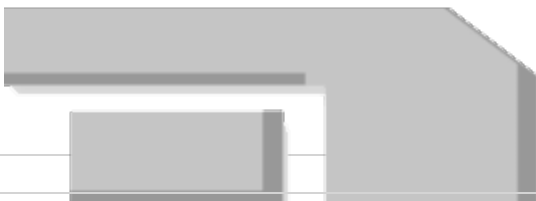

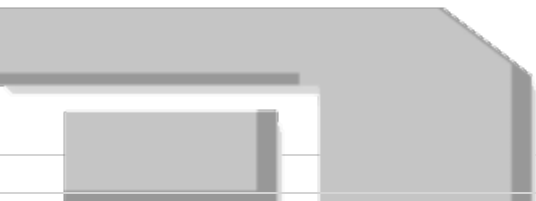

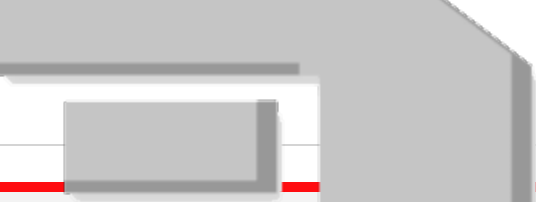

Specifications of LS2088AXN7V1B

|                                  |                                |
|----------------------------------|--------------------------------|
| PART NUMBER                      | LS2088AXN7V1B                  |
| MANUFACTURER                     | NXP Semiconductors / Freescale |
| DESCRIPTION                      | LS2088A XT 2000 R1.1           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant     |
| QUANTITY AVAILABLE               | 195 pcs                        |
| DATA SHEET                       |                                |
| SERIES                           | *                              |
| OTHER NAMES                      | 935352166557                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant     |
| DETAILED DESCRIPTION             | Microprocessor IC *            |
