

AMI Semiconductor / ON

Semiconductor

NB4L52MNR2G

Part Number: NB4L52MNR2G

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: IC FF D-TYPE SNGL 1BIT 16QFN

Datasheets:  NB4L52MNR2G.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 14552 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

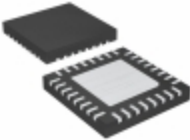

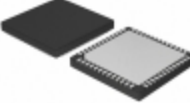

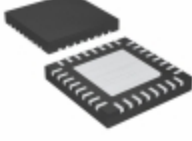

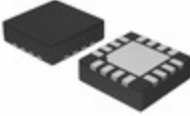

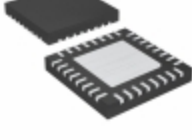

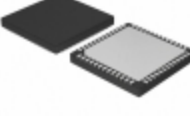

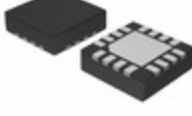

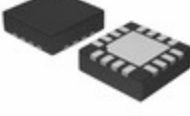

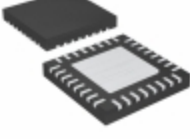

Specifications of NB4L52MNR2G

|                                   |                                                                                                     |

| DESCRIPTION                       | IC FF D-TYPE SNGL 1BIT 16QFN                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                          |
| QUANTITY AVAILABLE                | 14552 pcs                                                                                           |
| DATA SHEET                        |  NB4L52MNR2G.pdf |
| VOLTAGE - SUPPLY                  | 2.375 V ~ 5.5 V                                                                                     |
| TYPE                              | D-Type                                                                                              |
| TRIGGER TYPE                      | Negative Edge                                                                                       |
| SERIES                            | -                                                                                                   |
| PACKAGING                         | Tape & Reel (TR)                                                                                    |
| PACKAGE / CASE                    | 16-VFQFN Exposed Pad                                                                                |
| OUTPUT TYPE                       | Differential                                                                                        |
| OPERATING TEMPERATURE             | -40°C ~ 85°C (TA)                                                                                   |
| NUMBER OF ELEMENTS                | 1                                                                                                   |
| NUMBER OF BITS PER ELEMENT        | 1                                                                                                   |
| MOUNTING TYPE                     | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                       |
| MAX PROPAGATION DELAY @ V, MAX CL | -                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                          |
| FUNCTION                          | Reset                                                                                               |
| CURRENT - QUIESCENT (IQ)          | 25mA                                                                                                |
| CURRENT - OUTPUT HIGH, LOW        | -                                                                                                   |
| BASE PART NUMBER                  | NB4L52                                                                                              |
