| DESCRIPTION                      | IC PWR DIST SWITCH SGL 8MSOP                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| QUANTITY AVAILABLE               | 115714 pcs                                                        |
| DATA SHEET                       |                                                                   |
| VOLTAGE - SUPPLY (VCC/VDD)       | Not Required                                                      |
| VOLTAGE - LOAD                   | 4.5 V ~ 5.5 V                                                     |
| SWITCH TYPE                      | USB Switch                                                        |
| SUPPLIER DEVICE PACKAGE          | 8-MSOP-PowerPad                                                   |
| SERIES                           | -                                                                 |
| RDS ON (TYP)                     | 86 mOhm                                                           |
| RATIO - INPUT:OUTPUT             | 1:1                                                               |
| PACKAGING                        | Tube                                                              |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width) Exposed Pad                |
| OUTPUT TYPE                      | N-Channel                                                         |
| OUTPUT CONFIGURATION             | High Side                                                         |
| OTHER NAMES                      | 296-35614-5                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TJ)                                                |
| NUMBER OF OUTPUTS                | 1                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| INTERFACE                        | On/Off                                                            |
| INPUT TYPE                       | Non-Inverting                                                     |
| FEATURES                         | Load Discharge, Status Flag                                       |
| FAULT PROTECTION                 | Current Limiting (Fixed), Over Temperature, Reverse Current, UVLO |
| CURRENT - OUTPUT (MAX)           | 1A                                                                |
| BASE PART NUMBER                 | TPS2061                                                           |
