| DATA SHEET                       |  H11F1VM.pdf |
| VOLTAGE - OUTPUT (MAX)           | 30V                                                                                             |
| VOLTAGE - ISOLATION              | 7500Vpk                                                                                         |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.3V                                                                                            |
| VCE SATURATION (MAX)             | -                                                                                               |
| TURN ON / TURN OFF TIME (TYP)    | 45µs, 45µs (Max)                                                                                |
| SUPPLIER DEVICE PACKAGE          | 6-DIP                                                                                           |
| SERIES                           | -                                                                                               |
| RISE / FALL TIME (TYP)           | -                                                                                               |
| PACKAGING                        | Tube                                                                                            |
| PACKAGE / CASE                   | 6-DIP (0.300", 7.62mm)                                                                          |
| OUTPUT TYPE                      | MOSFET                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 100°C                                                                                   |
| NUMBER OF CHANNELS               | 1                                                                                               |
| MOUNTING TYPE                    | Through Hole                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                      |
| INPUT TYPE                       | DC                                                                                              |
| DETAILED DESCRIPTION             | Optoisolator MOSFET Output 7500Vpk 1 Channel 6-DIP                                              |
| CURRENT TRANSFER RATIO (MIN)     | -                                                                                               |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                               |
| CURRENT - OUTPUT / CHANNEL       | -                                                                                               |
| CURRENT - DC FORWARD (IF) (MAX)  | 60mA                                                                                            |
