| PART NUMBER                      | XC6192BANNER-G                                                                                                         |
| MANUFACTURER                     | Torex Semiconductor Ltd.                                                                                               |
| DESCRIPTION                      | POWER SAVING PUSH BUTTON LOAD SW                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| QUANTITY AVAILABLE               | 321367 pcs                                                                                                             |
| DATA SHEET                       |  <a href="#">XC6192BANNER-G.pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | Not Required                                                                                                           |
| VOLTAGE - LOAD                   | 2.5 V ~ 6 V                                                                                                            |
| SWITCH TYPE                      | General Purpose                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | USP-8B06                                                                                                               |
| SERIES                           | -                                                                                                                      |
| RDS ON (TYP)                     | 590 mOhm                                                                                                               |
| RATIO - INPUT:OUTPUT             | 1:1                                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 8-XFDN Exposed Pad                                                                                                     |
| OUTPUT TYPE                      | P-Channel                                                                                                              |
| OUTPUT CONFIGURATION             | High Side                                                                                                              |
| OTHER NAMES                      | 893-1413-2                                                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                      |
| NUMBER OF OUTPUTS                | 1                                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| INTERFACE                        | On/Off                                                                                                                 |
| INPUT TYPE                       | Non-Inverting                                                                                                          |
| FEATURES                         | Shutdown                                                                                                               |
| FAULT PROTECTION                 | Short Circuit                                                                                                          |
| CURRENT - OUTPUT (MAX)           | 400mA                                                                                                                  |
