

N/A

ADC32RF44IRMPR

|                     |                                                  |
|---------------------|--------------------------------------------------|
| Part Number:        | ADC32RF44IRMPR                                   |
| Manufacturer/Brand: | N/A                                              |
| Product description | DUAL 14-BIT 2.5 GSPS ADCS                        |
| Datasheets:         |                                                  |
| RoHs Status         | <div><div></div>Lead free / RoHS Compliant</div> |
| Stock Condition     | 51 pcs stock                                     |
| Ship From           | Hong Kong                                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                            |

REQUEST FOR QUOTATION

Specifications of ADC32RF44IRMPR

|                                  |                                                                        |
|----------------------------------|------------------------------------------------------------------------|
| PART NUMBER                      | ADC32RF44IRMPR                                                         |
| MANUFACTURER                     | N/A                                                                    |
| DESCRIPTION                      | DUAL 14-BIT 2.5 GSPS ADCS                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| QUANTITY AVAILABLE               | 51 pcs                                                                 |
| DATA SHEET                       |                                                                        |
| VOLTAGE - SUPPLY, DIGITAL        | 1.1 V ~ 1.2 V                                                          |
| VOLTAGE - SUPPLY, ANALOG         | 1.1 V ~ 1.25 V, 1.8 V ~ 2 V                                            |
| SUPPLIER DEVICE PACKAGE          | 72-VQFN (10x10)                                                        |
| SERIES                           | -                                                                      |
| SAMPLING RATE (PER SECOND)       | 2.6G                                                                   |
| REFERENCE TYPE                   | External                                                               |
| RATIO - S/H:ADC                  | 0:1                                                                    |
| PACKAGE / CASE                   | 72-VFQFN Exposed Pad                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                           |
| NUMBER OF INPUTS                 | 2                                                                      |
| NUMBER OF BITS                   | 14                                                                     |
| NUMBER OF A/D CONVERTERS         | 2                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| INPUT TYPE                       | Differential                                                           |
| FEATURES                         | -                                                                      |
| DETAILED DESCRIPTION             | 14 Bit Analog to Digital Converter 2 Input 2 Pipelined 72-VQFN (10x10) |
| DATA INTERFACE                   | JESD204B, Serial                                                       |
| CONFIGURATION                    | ADC                                                                    |
| ARCHITECTURE                     | Pipelined                                                              |
