| QUANTITY AVAILABLE                | 3445 pcs                                                                                         |
| DATA SHEET                        |  EL5146CN.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.75 V ~ 5.25 V, ±2.38 V ~ 2.63 V                                                                |
| VOLTAGE - INPUT OFFSET            | 15mV                                                                                             |
| SUPPLIER DEVICE PACKAGE           | 8-PDIP                                                                                           |
| SLEW RATE                         | 200 V/μs                                                                                         |
| SERIES                            | -                                                                                                |
| PACKAGING                         | Tube                                                                                             |
| PACKAGE / CASE                    | 8-DIP (0.300", 7.62mm)                                                                           |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                     |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                     |
| NUMBER OF CIRCUITS                | 1                                                                                                |
| MOUNTING TYPE                     | Through Hole                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                    |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                               |
| GAIN BANDWIDTH PRODUCT            | 60MHz                                                                                            |
| DETAILED DESCRIPTION              | Voltage Feedback Amplifier 1 Circuit Rail-to-Rail 8-PDIP                                         |
| CURRENT - SUPPLY                  | 7mA                                                                                              |
| CURRENT - OUTPUT / CHANNEL        | 120mA                                                                                            |
| CURRENT - INPUT BIAS              | 2nA                                                                                              |
| BASE PART NUMBER                  | EL5146                                                                                           |
| AMPLIFIER TYPE                    | Voltage Feedback                                                                                 |
| -3DB BANDWIDTH                    | 100MHz                                                                                           |
