

Integrated Device Technology

IDT (Integrated Device Technology)

Technology)

Part Number: IDT71V65803S150PFI8

Manufacturer/Brand: IDT (Integrated Device Technology)

Product description: IC SRAM 9M PARALLEL 100TQFP

Datasheets:  IDT71V65803S150PFI8.pdf

RoHs Status:  Contains lead / RoHS non-compliant

Stock Condition: 6057 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of IDT71V65803S150PFI8

| WRITE CYCLE TIME - WORD, PAGE    | -                                                                                                           |
| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.465 V                                                                                           |
| TECHNOLOGY                       | SRAM - Synchronous ZBT                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 100-TQFP (14x14)                                                                                            |
| SERIES                           | -                                                                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                                                            |
| PACKAGE / CASE                   | 100-LQFP                                                                                                    |
| OTHER NAMES                      | 71V65803S150PFI8                                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                               |
| MEMORY TYPE                      | Volatile                                                                                                    |
| MEMORY SIZE                      | 9Mb (512K x 18)                                                                                             |
| MEMORY INTERFACE                 | Parallel                                                                                                    |
| MEMORY FORMAT                    | SRAM                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                          |
| DETAILED DESCRIPTION             | SRAM - Synchronous ZBT Memory IC 9Mb (512K x 18) Parallel 150MHz 3.8ns 100-TQFP (14x14)                     |
| CLOCK FREQUENCY                  | 150MHz                                                                                                      |
| BASE PART NUMBER                 | IDT71V65803                                                                                                 |
| ACCESS TIME                      | 3.8ns                                                                                                       |
