#### Specifications of BGSA11GN10E6327XTSA1

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| PART NUMBER                      | BGSA11GN10E6327XTSA1                                  |
| MANUFACTURER                     | International Rectifier (Infineon Technologies)       |
| DESCRIPTION                      | IC SWITCH RF 10TSNP                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| QUANTITY AVAILABLE               | 527348 pcs                                            |
| DATA SHEET                       |                                                       |
| VOLTAGE - SUPPLY                 | 1.8 V ~ 3.6 V                                         |
| TOPOLOGY                         | -                                                     |
| TEST FREQUENCY                   | 2.69GHz                                               |
| SUPPLIER DEVICE PACKAGE          | PG-TSNP-10-1                                          |
| SERIES                           | -                                                     |
| RF TYPE                          | General Purpose                                       |
| PACKAGE / CASE                   | 10-XFQFN Exposed Pad                                  |
| P1DB                             | -                                                     |
| OTHER NAMES                      | SP001308478                                           |
| OPERATING TEMPERATURE            | -30°C ~ 85°C                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| ISOLATION                        | 14dB                                                  |
| INSERTION LOSS                   | 0.35dB                                                |
| IMPEDANCE                        | 50 Ohm                                                |
| IIP3                             | 75dBm                                                 |
| FREQUENCY RANGE                  | 100MHz ~ 5GHz                                         |
| FEATURES                         | -                                                     |
| DETAILED DESCRIPTION             | RF Switch IC General Purpose SPST 50 Ohm PG-TSNP-10-1 |
| CIRCUIT                          | SPST                                                  |
