Specifications of AT24C64AN-10SI-2.7

|                                  |                                                                                                                            |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | AT24C64AN-10SI-2.7                                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                                              |
| DESCRIPTION                      | IC EEPROM 64K I2C 400KHZ 8SOIC                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                         |
| QUANTITY AVAILABLE               | 3711 pcs                                                                                                                   |
| DATA SHEET                       |  <a href="#">AT24C64AN-10SI-2.7.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 5ms                                                                                                                        |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                                              |
| TECHNOLOGY                       | EEPROM                                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                                     |
| SERIES                           | -                                                                                                                          |
| PACKAGING                        | Tube                                                                                                                       |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                                              |
| OTHER NAMES                      | AT24C64AN-10SI2.7                                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                              |
| MEMORY TYPE                      | Non-Volatile                                                                                                               |
| MEMORY SIZE                      | 64Kb (8K x 8)                                                                                                              |
| MEMORY INTERFACE                 | I²C                                                                                                                        |
| MEMORY FORMAT                    | EEPROM                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                         |
| DETAILED DESCRIPTION             | EEPROM Memory IC 64Kb (8K x 8) I²C 400kHz 900ns 8-SOIC                                                                     |
| CLOCK FREQUENCY                  | 400kHz                                                                                                                     |
| BASE PART NUMBER                 | AT24C64                                                                                                                    |
| ACCESS TIME                      | 900ns                                                                                                                      |
