Specifications of SN74HCT541DWE4

|                                  |                                                                          |
|----------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                      | SN74HCT541DWE4                                                           |
| MANUFACTURER                     | N/A                                                                      |
| DESCRIPTION                      | IC BUF NON-INVERT 5.5V 20SOIC                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| QUANTITY AVAILABLE               | 295230 pcs                                                               |
| DATA SHEET                       |                                                                          |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                            |
| SUPPLIER DEVICE PACKAGE          | 20-SOIC                                                                  |
| SERIES                           | 74HCT                                                                    |
| PACKAGING                        | Tube                                                                     |
| PACKAGE / CASE                   | 20-SOIC (0.295", 7.50mm Width)                                           |
| OUTPUT TYPE                      | 3-State                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                        |
| NUMBER OF ELEMENTS               | 1                                                                        |
| NUMBER OF BITS PER ELEMENT       | 8                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INPUT TYPE                       | -                                                                        |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 1 Element 8 Bit per Element 3-State Output 20-SOIC |
| CURRENT - OUTPUT HIGH, LOW       | 6mA, 6mA                                                                 |
| BASE PART NUMBER                 | 74HCT541                                                                 |
